

Chapter: 1363

The strong appearance of the Thunder group directly ignited the atmosphere of the audience, and everyone began to discuss it enthusiastically.

And looked at Lin Ziming.

Jiang Liqun's pupils contracted, and he said to Lin Ziming in a deep voice, "Dong Lin, it's that group of people again. They have made another move. Looking at them like this, it seems that they have moved even more this time!"

Wang Shougui gritted his teeth and said, "Dong Lin, these people are too much. They dare to make trouble while you are there. They clearly don't put you in their eyes!"

Han Jinlong also nodded vigorously in agreement and said, "Yes, this guy can't be merciful this time, otherwise it will spread out. It will be a huge blow to your reputation, Dong Lin!"

Chu Fei was also there. She took Lin Ziming's hand and said worriedly: "Ziming, who are these people? Why are you still making trouble at our opening ceremony?"

Lin Ziming said lightly: "It's from the Luo Tian organization. He came here specifically for me."

"Luo Tian organization?!" When Chu Fei heard these four words, she immediately took a deep breath, with horror on her face.

Lin Ziming did not conceal Chu Fei about the Luo Tian organization, so Chu Fei knew that the Luo Tian organization was a very powerful and domineering organization. Her mother-in-law, who was Lin Ziming's biological mother, was still imprisoned in it. . It can be said that Lin Ziming's life's greatest enemy.

Chu Fei hugged Lin Ziming tightly, and said worriedly, "Luo Tian organization, is this going to attack us? Then what should we do?"

Lin Ziming patted Chu Fei's hand and said with a smile: "There is nothing wrong with me. When the sky falls, I will stand up."

Lin Ziming's words were very light, as if they were just talking about a trivial thing, but when it reached everyone's ears, it was full of security. Chu Fei's worried mood is now relaxed a lot.

At this moment, Lin Ziming and Lei Zhen looked at each other, and there seemed to be two transparent lightning bolts colliding with each other fiercely, making a huge movement. It was obvious that both of them were not moving, but the collision of the two powerful mental powers made so many people in the audience feel it invisibly. There was a thunder in their minds, and in vaguely, it seemed that they heard lightning and thunder. .

"Strange, why did I seem to hear the sound of thunder just now? Isn't it a sunny day? Where did the thunder come from?"

"Damn, I also heard thunder just now, I thought I had hallucinations, so you

heard it too.”

“I heard it too...”

“What’s the matter, I also heard...”

Many people start to be surprised, not knowing why.

As two great congenital realm Great Perfection powerhouses, how strong their mental power is. If they want, they can control an ordinary person by hypnosis in an instant, and let him listen to his own words obediently, even if It is not a problem to let him kill people and set fire, and to dedicate his wealth.

Only when they arrived at the innate realm, could they resist the invasion of their spiritual power.

Of course, with their status and structure, they are disdainful and there is no need to do this kind of thing.
