

## Chapter: 1380

Yes, they are not optimistic about Lin Ziming, thinking that Lin Ziming will pay for his expansion, and the price is death.

On the other side, there was a red figure, her gaze was staring tightly, full of worry and despair, especially when she saw Lei Zhen's move and forced Lin Ziming back step by step, without the strength to fight back, she even more. To be sad.

"You arrogant fellow! Why did you agree to Lei Zhen's challenge? He came to kill you deliberately. You don't know how strong Lei Zhen is. He already has the qualifications to challenge Sword Rushuang. What do you take with him? Than?!" Neishang said with hatred of iron and steel. She is no longer the pale fairy before, but a woman with seven emotions and six desires. This change is a step by step change after she met Lin Ziming. of.

To be honest, she can't tell Lin Ziming how she feels now, and she even wonders if she has already developed affection for Lin Ziming.

One thing she can be sure of is that she doesn't want to see Lin Ziming fall. If Lin Ziming is really dead, then she will be very sad.

However, no matter how anxious she is, it is not useful now. This battle has been completely out of her control and is no longer her control.

She still remembered that when Lin Ziming first came into contact with Lin Ziming, Lin Ziming had just stepped into the congenial realm. At that time, Lin Ziming was so weak that she could crush with one hand, but now, it didn't take long. Lin Ziming had already grown to this point, and he didn't know if he should be happy for Lin Ziming or lost.

It's too late and it's fast, Lin Ziming and Lei Zhen have already passed a thousand moves in this moment!

Their speed is fast to the extreme, and their strength is enormous. They are completely two human-shaped tyrannosaurus, with endless power in their bodies.

Fortunately, their place is Junlin Mountain. Otherwise, in the metropolis, it is estimated that high-rise buildings will be demolished by them!

"Lin Ziming, is this your strength? It's too weak, hahaha..." Lei Zhen is clearly at ease. While launching a surging attack on Lin Ziming, he can speak leisurely, indicating that he is not He didn't have to use his full strength, and this had already defeated Lin Ziming, and it seemed that there was no way to fight back. It was already obvious which was better.

Lin Ziming hadn't finished speaking yet, he frowned slightly, as if he seemed to be struggling, and it was only a matter of time before he failed.

"Brother Huangpu, the situation is not good, Lin Ziming is downwind, and it seems that he is not Lei Zhen's opponent!" Shangguan Wei'an frowned on the other mountain.

But Huangpu Road was drinking tea leisurely, not worried at all, and smiled

lightly: “Brother Shangguan, you are wrong. Lin Ziming has no disadvantages. He is just learning Lei Zhen’s martial arts. Once, Lin Ziming surprised me again. With such a high martial arts talent, it is really possible that it is not bad to step into King Kong.”

Shangguan Wei’an was shocked when he heard this. He had known Huangpu Dao for many years, and he had never seen Huangpu Dao praise someone like this. From this point of view, Lin Ziming is really very strong...

“Wait, the battle will change soon.” Huangpudao added another meaningful sentence.
