

Chapter: 1385

On the other side, there was a fiery red figure, and the expression on her face was also very exciting.

She is not someone else, she is Nishang, she can see the process of Lei Zhen and Lin Ziming's battle clearly.

At the beginning, Lin Ziming fell into a disadvantage. She was beaten with no strength to fight back. She had already seen that she was going to be defeated. The defeated result was to be tortured and killed. She was in a hurry, planning, she couldn't. Indifferent, no matter what, she wants to stop Lei Zhen.

But...in just one breath, earth-shaking changes have taken place in the battle situation. Lin Ziming's aura ushered in a huge change. In less than five seconds, he turned defeat into victory and killed Lei Zhen!

Especially, the stalwart power that Lin Ziming showed just now, even if she was so far away, she could feel the huge lethality in it, which made her feel suffocated.

She was sure that if she was in it, she would be beaten to dust by Lin Ziming. As a result, even a master like Lei Zhen could not stop Lin Ziming's counterattack. He was beaten with a punch and was still in the air. Lin Ziming was caught by his feet and smashed into the ground. Can't see it!

Even with her temperament, it has been difficult for a long time to calm down.

Lin Ziming won, and still in this brutal way.

Just then, Lin Ziming looked at her, squeezed a bright smile at her, and blinked his eyes, seeming to say: Look, I didn't lie to you?

When Nishang saw his smile, her face flushed and she felt very shy. She remembered what she said to Lin Ziming at the foot of the mountain just now, and now she only felt her face hot. .

It turned out that he had misunderstood Lin Ziming, and Lin Ziming was absolutely sure!

And she even scolded Lin Ziming so much just now, and even scolded Lin Ziming for being swollen. I don't know what it is, there is a dead end...

Thinking of what she said herself, she couldn't do it in embarrassment.

However, in general, she was relieved, Lin Ziming was not dead, which was great.

She looked at Lin Ziming's tall figure, which seemed to be able to plunge into the sky and swallow mountains and rivers with anger. That kind of stalwart was deeply imprinted in her heart, making her unforgettable.

Moreover, the feeling towards Lin Ziming is even stronger!

If Lin Ziming is not his aunt's son, how good would it be?

Then she can...

Stop it!

Neon clothes, what are you thinking about!

Lin Ziming didn't know what Nishang thought at this time, otherwise he would definitely be frightened.

Now he started to stand, swaying in the wind, and his mind suddenly aroused.

Lei Zhen was the strongest opponent he encountered, and he defeated Lei Zhen head-on. Now that Lei Zhen is seriously injured, it is impossible to recover.

He lowered his head and saw the people under King's Landing Mountain, the group of Wuyang Wuyang, all raised their heads and looked at him with awe and fear. At this moment, he felt that he was the emperor, on the King's Landing Mountain, and over the world, and the following were all his subjects.

After defeating Lei Zhen, he could clearly feel that the connection between Junlinshan and Lei Zhen was severed by him, and then he got in touch with him. He felt the aura of Junlinshan, it was really heroic and exciting.

When he closed his eyes, he could feel the flowers and trees on Junlin Mountain. This feeling was so strange that he couldn't describe it in words.

At that moment, he felt that he was Junlinshan, and Junlinshan was him, and he had been completely integrated.

And at the moment he closed his eyes, all the animals on Junlin Mountain stopped, raised their heads, and looked in his direction, as if they were worshipping their own king.
