

Chapter: 1390

They talked about it, and they became enthusiastic for a while, thinking that Lin Ziming didn't dare to kill Lei Zhen.

On the other side, Shangguan Wei'an used military-grade spectacles to observe this side. He frowned and said, "Why does this sword Rushuang also appear? Does Lin Ziming really want to release Lei Zhen?"

As the peak of the Chinese nation, Shangguan Wei'an has always held a hostile attitude towards the Luo Tian organization. It is just that the Luo Tian organization is too strong and cannot be acted rashly. If Lin Ziming really released Lei Zhen, then he would be quite disappointed.

"Brother Huangpu, what do you think?" He couldn't help looking at the military god.

Huangpu Road said: "Lin Ziming will not let Lei Zhen go."

"Oh? From this point of view, this kid has courage and dared to fight the Luo Tian organization head-on." Shangguan Wei An said with admiration.

However, Huangpu Dao shook his head and said, "It's not the case. I guessed that I was here, so I won't stand by."

Shangguan Wei'an frowned upon hearing it, and said, "This kid has such a high IQ?"

"Only higher."

"Then you feel the breath of Luo Tian?" Shangguan Wei An asked in a deep voice, he looked around, a little jealous.

Huangpudao narrowed his eyes, shook his head and said, "There are still no."

He used 'return', Shangguan Wei'an immediately knew what was going on, Luo Tianshiyou ** would also appear, but Huangpu Road still didn't feel it. But in this way, he is even more worried, because if Luo Tian is already here, but Huangpu Road can't feel its breath, then it means that Huangpu Road is not strong enough for Luo Tian!

"Lin Ziming!"

On this side, Jian Rushuang said in a deep voice: "Don't let yourself be fooled. Lei Zhen is the heavenly king of the Luo Tian organization. If you kill him, you will declare war with the Luo Tian organization. The consequences are not yours!"

His words sounded a bit inexplicable to everyone, isn't Lin Ziming already persuaded? Why do you still say this.

"Really? Why don't I make an exchange with you. As long as you let your mother go, I will let Lei Zhen go, how about it?" Lin Ziming said with a smile.

Jian Rushuang's expression became even colder, and said, "Lin Ziming, you are provoking Luo Tian's majesty, and the consequences will be serious."

Lin Ziming shrugged and said, "So it's not enough to talk about it?"

“I don’t have much patience. You will release Lei Zhen now. I am not discussing with you, but giving an order!” Jian Rushuang said coldly, his aura rising steadily, and the chief Lin Ziming dared to kill Lei Zhen. Then what awaits him is Jian Rushuang’s anger.

Lei Zhen was even more proud when he saw this scene, and provoke Lin Ziming, “Lin Ziming, let me go if you know you, there is still a way to survive, otherwise...”

However, he still didn’t say these words, he heard a squeak, his neck was screwed off, and his pupils were instantly enlarged, revealing incredible...
