

Chapter: 1400

Then, other people toast Lin Ziming one after another, even the elders. Now Lin Ziming seems to be the backbone of the Chu family. As the head of the Chu family, Chu Guodong, who is not dissatisfied, smiles. He was very fortunate now. Fortunately, there was no way to prevent Lin Ziming from entering the family, otherwise their Chu family would have ended long ago. This is the blessing of the Chu family.

“Hey, you almost got it. Take turns drinking Ziming one by one. What should you do when Ziming gets drunk?” Mother-in-law Liu Suhong said immediately with dissatisfaction. She now regards Lin Ziming as a treasure, since Lin Ziming succeeded. , She doesn’t know how moist her life is now, she is the most beautiful existence in her circle, and this honor is brought to her by Lin Ziming.

Lin Ziming smiled and said, “Nothing, I’m a good drinker, I won’t get drunk.”

Indeed, with his current cultivation base of the Great Perfection of the Innate Realm, this bit of wine is simply trivial and does not cause any influence on him.

Chu Fei on the side saw this scene with a particularly happy smile.

The family is really happy.

Suddenly, someone curiously said, “By the way, how about Chu Tian and Chu Xing? Where did they go, why are they still not present?”

When everyone heard this, they reacted, yes, Chu Tian and Chu Xing, none of the young people are here.

“Chu Hao, did you tell Chu Tian and Chu Xing that they were going to be there? Ziming was here today, and they were late! It’s so polite! Call them back quickly!”

Chu Guodong said with a sullen face. As soon as he exited, Chu Hao became nervous. He quickly said, “Grandpa, it doesn’t matter to me. I have already greeted them and told them that I can’t be late for the party today. Yes, they also promised full, who knew it would be like this!”

Chu Hao looked aggrieved, and at the same time he was quite annoyed. On this occasion today, Chu Tian and Chu Xing were all the juniors, and it was a bit slapped for him as a big brother!

The most important thing is that Lin Ziming is here for this gathering. They dare not come. This is disrespectful. If they are caught, they must be beaten!

“It’s unreasonable, these stinky boys are itchy, don’t you dare to be late for such an important party today? I turned them back!” Chu Guodong cursed angrily, and then said in a deep voice: These brats called and asked them to roll over as quickly as possible, otherwise they wouldn’t have to come back.”

It can be seen that Chu Guodong is angry.

Chu Fei frowned slightly, feeling that Chu Guodong had made a little fuss, and said, “Grandpa, Chu Tian and Chu Xing are still young, they may be out to play, just call them and let them know. There is no need to be so angry.”

Chu Guodong looked at Lin Ziming. He mainly wanted to see what Lin Ziming meant. Lin Ziming is now the boss of the Chu family. If Lin Ziming has any dissatisfaction with the Chu family, then the Chu family will be ruined.

Lin Ziming felt helpless in Chu Guodong’s reaction. Ever since he became famous, the Chu family has treated him like an emperor, which really made him unaccustomed. He is still used to the harmonious life before.

However, he thought about it for a moment, nodded and said, “Call them and see if they have something wrong.”
