

Chapter: 1402

Lin Ziming also considered this matter before. At that time, he didn't have the energy to arrange it. Now it seems that he has to arrange it properly.

Otherwise, he wiped this butt, and there are other butts, which would be annoying.

So Lin Ziming said directly, "Where are Chu Tian and Chu Xing, I'll go directly."

Hearing what he said, everyone in the Chu family breathed a sigh of relief. As long as Lin Ziming is there, all difficulties can be resolved.

Chu Hao shook his head and said, "I don't know, I didn't say on the phone just now..."

Lin Ziming said, "Call it again and ask."

"Great."

Chu Hao nodded and was just about to make a call. At this moment, his cell phone rang in advance.

He saw the caller ID and immediately said to Lin Ziming: "It was Chutian's call!"

Lin Ziming nodded and said: "Pick it up, turn on the speaker."

Chu Hao obeyed Lin Ziming's words. After answering the call, he turned on the speaker. Immediately, a familiar voice came from the phone, "Brother Hao, save me! They are going to cut off our hands and feet, we don't want to be disabled, oh Woo..."

It was Chu Tian's voice, full of panic and helplessness, and his voice was trembling. When the Chu family heard this voice, his face changed drastically, and his heart was agitated.

In addition to Chu Tian's voice, I could faintly hear the crying of several people next to him. They all seemed so helpless and panicked. It was obviously Chu Xing and others.

Liu Suhong was immediately anxious. She walked over quickly and said, "Son, you have trouble! Don't be afraid, your brother-in-law will save you right away!"

On the phone, Chu Tian heard the words brother-in-law and immediately raised hope and said excitedly: "Brother-in-law! Brother-in-law! Come and save me, they are going to chop our hands and feet, and throw us into the sea. Fish, we don't want to die, oooooo..."

He was crying with snot and tears, he looked particularly frightened, and he was obviously frightened.

And after he finished speaking, he was obviously kicked, screamed and screamed, and screamed, to get rid of a poor puppy.

Lin Ziming frowned when he heard this movement, his eyes flashed with anger!

He said directly: "Where are you, I will come to look for you."

But there was no response on the phone, only the murmur of Chu Tian and others could be heard vaguely.

Moreover, accompanied by the sound of fists, it was obvious that Chu Tian and Chu Xing were beaten again. As a result, the Chu family was even more worried, and Lin Ziming was also on fire.

“Hey, I am Lin Ziming. You should have heard my name. These are my younger brothers. Give me a face and tell me where I am. I will redeem people in the past.”

Now, finally there was a voice on the phone...
