

## Chapter: 1403

“Oh, listen to what you mean, you are still a human being.” The other party’s tone jokingly, “Okay, you are not awesome, I will give you 20 minutes to find my position. However, if you exceed 20, Minutes, don’t blame me for not giving you face and throwing these wastes into the river to feed the fish.”

After saying this, he just hung up, without giving Lin Ziming a chance to speak.

“What?! 20 minutes! Hwaseong Fortress is so big, it is impossible for even a god to find someone in 20 minutes!”

“What should I do now? Listening to the other party’s tone, I really want to attack Chu Tian and others.”

“Ziming, you are the best at our place, think of a way...”

Now that the entire Chu family has six gods and no masters, they can only pin their hopes on Lin Ziming.

Lin Ziming also frowned slightly. In the phone call just now, he could have heard that the other party’s origins were not small, and he didn’t put him in his eyes at all.

In 20 minutes, it is really difficult to find a person in Hwaseong. If it is found by manpower, it is obviously impossible to find.

“Don’t worry, everyone, I will find a way.” Lin Ziming said in a deep voice, first to stabilize their emotions.

Soon he called Sun Liang, reported the call just now, and asked Sun Liang to help him find it.

As a large domestic institution, Xuanyuan 3 is not a difficult task to locate domestic mobile phones. Now in the era of big data, it does not take long. Lin Ziming wasn’t worried about not being able to locate it. What he was worried about was the opponent’s location, which was relatively far away, so even if he knew the location, it would be difficult for him to rush to it immediately.

Sun Liangzheng disappointed him, and it only took a minute to locate it.

When Lin Ziming heard this, he snorted in his heart. Sure enough, what he was worried about still happened. The other party’s location is not close to here. If you drive normally, you will definitely not be able to make it within 20 minutes. It will take at least an hour.

In this way, he can only pass by himself.

“I found the location, it’s a bit far from here, on the east side of the bridge.”

Lin Ziming said in a deep voice.

Suddenly, Liu Suhong’s face paled, and she said sadly: “That’s it, it takes at least an hour’s drive to get to Qiaodong here, 20 minutes, it’s impossible to rush over!”

“Yeah, what should we do now? How about we call the police and let the

police handle it!”

“Yes, call the police, we can’t just watch Chu Tian and Chu Xing have an accident!”

They seemed to be panicked, even Chu Fei was a bit arrogant at this time, but she didn’t have any self-confidence. She believed that Lin Ziming would definitely be able to save people. After coming down so many times, she already had an instinctive belief in Lin Ziming.

Lin Ziming shook his head and said: “The alarm is not useful. They are the dignitaries of Yandu, and the alarm will only be bad. Let me go there in person, and you will wait for my message here.”

Chu Guodong asked immediately: “But it’s far from here to the east of the bridge. We don’t have a helicopter ready in advance, so we can’t make it in 20 minutes!”

This is also something that other Chu family members worry about.

Lin Ziming smiled and said, “This problem is not big, I have a way to get over it. Okay, no time is wasted, I’ll get over there, you just wait for my good news.”

Chu Fei nodded, and she said deeply to Lin Ziming: “Okay, then do as you said and pay attention to safety.”

“Well, I will.”
