

Chapter: 1406

However, at this moment, only a loud bang of 'Dang' was heard, which resounded throughout the audience. Almost at the same time, the iron rod in the hands of the second generation was bombarded by a sudden flying stone. Up.

The powerful force took him back a few steps and fell to the ground.

This sudden change surprised everyone present.

Among them, the two Innate Realm masters reacted the fastest. They became serious for the first time and entered a state of fighting, looking around, looking for Lin Ziming's position.

Then, Lin Ziming's voice came: "Who gave you the courage to bully my family."

When Chu Tian heard this voice, he was stunned for a moment, and then cried with joy, exclaiming excitedly: "Brother-in-law is here! Brother-in-law is here! Great!!!"

Chu Xing and the others finally reacted, each of them was too excited, cheering, "Great, it's the brother-in-law who is here, now we can be saved!" Everyone in the room frowned when they saw Chu Tian's reaction, their expressions gloomy.

"Who is it, get out for Laozi!"

"Get out, pretend to be a ghost there!"

There were a few second generations who were clamoring, and the words were hard to hear, but they could not curse a few words, so they knelt down and screamed, and it was Lin Ziming who shot again, and the coin popped out and hit them directly. On his knees, they all knelt down, howling ghosts. Just kidding, with Lin Ziming's current strength, it is not a matter of grasping that he has to teach these little crickets. Including the two innate realm masters in it, they are also ants, and he doesn't even look at them.

The person who was called 'Qin Shao' just now seems to be the person with the highest status here. He frowned and stood up, with a powerful aura exuding from his body. He is just an ordinary person, but because of his extraordinary background, he has been in a high position for a long time. He has a strong aura that ordinary people don't have.

"Lin Ziming, right? It seems that you have two brushes and came over within 20 minutes. Now that you are here, don't pretend to be a fool and come out." Qin Shao said in a deep voice, squinting his eyes, his face There is no panic at all, it is also the second generation, but it is far worse than others. He obviously has the kind of calmness and city government of a superior.

But his voice fell. Lin Ziming still didn't show up. He couldn't help but sneered twice, and said, "Why, it's all here, I dare not show up yet? Just listened to these scraps and said that you are the No. G province. A master,

very famous, in my opinion, it is nothing more than that.”

Others also started to laugh, thinking that Lin Ziming was nothing more than a reckless man at best. Such a mud-legged man, no matter how strong he was in martial arts, was a mud-legged man and was vulnerable to a blow.

However, Lin Ziming spoke soon, “I have been behind you all the time, none of you have found out, it is too weak.”

When Qin Shao heard this, Qin Shao’s heart suddenly jumped, and his brows jumped fiercely. He was shocked, because Lin Ziming’s voice sounded from behind him, as if it was in his ears, making him instantly nervous. stand up!

He reflexively looked back, and suddenly saw a smiley face, standing behind him, only three meters away.
