

Chapter: 1409

Before he came, he was still worried about whether Chu Tian and Chu Xing were backed by him and they drifted away, causing them to provoke the dignitaries of the swarms of Yandu. If this is the case, it would be a loss, and he would not be able to avenge him.

But now, after he heard it, he knew the truth of the matter. It was not Chu Tian and Chu Xing who took the initiative to cause trouble, but the group of second generation ancestors in front of him were looking for trouble, and the methods were still very dark.

If you change someone else and know their identities, you still don't dare to take revenge, you can only suffer a dumb loss. But Lin Ziming definitely wouldn't be so counseled, and as his innate realm of great perfection, he didn't need to counsel at all.

"I see, I will give you an explanation." Lin Ziming nodded and said to Chu Tian and Chu Xing.

Qin Shao and the others are no longer patient, and directly commanded the two masters of the Innate Realm: "Uncle Fu, Uncle Chen, it's time for you to take action. Take down this kid. I will use all the methods. They are better than dead!"

Uncle Fu and Uncle Chen nodded, and then Fubo said in a deep voice: "Friend, it seems that you are also breaking up in the congenital realm. You can catch it by yourself. Otherwise, if we make a move, you will have to suffer a lot of flesh and blood."

Uncle Chen also said: "My friend, you have kicked the iron this time. These young masters are not something you can offend. Even if you are a master of the innate realm, you are also a small person."

With their lofty posture, Lin Ziming didn't have any attention.

Indeed, they also have this confidence. They are all powerhouses in the third stage of the Innate Realm. They have served the rich and powerful for so many years, and Lin Ziming, looking at most in his early thirties, no matter how talented he is, he will die. The first stage of the Innate Realm, and their strength are not at the same level.

Lin Ziming's expression turned weird. According to reason, he is now very famous, especially after the first battle with Thunder on Junlin Mountain. Anyone in the domestic circle knows that he is right. Why didn't these two Innate Realm masters actually know him?

"You don't know who I am?" Lin Ziming couldn't help but asked curiously, "My name is Lin Ziming, have you ever heard of it?"

Indeed, Lin Ziming was quite curious.

However, after the two of them heard this, they didn't have any reaction, and they frowned, thinking that Lin Ziming was playing mystery. They were not happy anymore, thinking that Lin Ziming didn't put them in their eyes at

all.

“We don’t have much patience. Don’t be shameless. When we take action, you are not as simple as being humiliated!” Fubo said coldly, and as his voice fell, it suddenly radiated from him. The powerful aura swept over like a tide, and it had no effect on Lin Ziming, but for ordinary people such as Chu Tian and Chu Xing, they were very scared, and their faces were pale and trembling.

Uncle Chen also said: “I count to three. If you don’t hold your hands, don’t blame us for being rude.”

Lin Ziming sighed, he was sure now, these two guys really didn’t know him. “I originally wanted to give you a chance to save you from the pain of flesh and blood, but I thought that you didn’t know who I was. If this is the case, then no wonder I asked.” Lin Ziming shook his head and said.

His words directly irritated both Fu Bo and Uncle Chen. Fu Bo was obviously irritable. He snorted coldly, toasted without eating and fine wine, and then started his hands. There was an eagle on Lin Ziming’s neck. When the claw came over, he had to directly capture Lin Ziming in a brutal manner.

In his eyes, the master of the first stage of the innate realm was different from the ants.
