

Chapter: 1414

About half an hour later, Chu Fei, Chu Guodong and others finally rushed over by car. Their faces were full of worry and panic, and they were afraid that something might happen to Chu Tian. If there is something wrong with it, then That's terrible!

When they rushed over, they were relieved to see Chu Tian and Chu Xing having trouble.

"Parents, you guys came too late, you didn't see how majestic brother-in-law was just now!"

"Yes, my brother-in-law is super handsome. Those guys from Yandu didn't dare to let one fart after being taught by my brother-in-law, especially their boss, who was beaten into a pig by my brother-in-law!"

"Hahaha, super cool, I want to give birth to a monkey for my brother-in-law!"

After hearing the experience just now, everyone in the Chu family became more grateful and admired for Lin Ziming.

And Chu Fei held his hand, very affectionate, and said: "Ziming, thank you very much, we are fortunate to have you in the Chu family."

"Fool, what are you talking about? We are a family, and we should help each other as a family." Lin Ziming squeezed Chu Fei's Qiong nose gently, full of pampering.

Suddenly, Lin Ziming's prestige in the Chu family became even greater, especially the little guys Chu Tian and Chu Xing, who coaxed to learn martial arts with Lin Ziming, one by one, as if they were beaten with blood. But soon, when they heard Lin Ziming say that they have to get up at six o'clock every day, run 20 kilometers, and have basic training such as standing stances, they instantly withered again.

According to Chu Xing's words, fortunately, they have a brother-in-law, so they don't need to practice martial arts by themselves and will not be bullied. When other people hear this, think about it, it is indeed the same thing, anyway, there is a brother-in-law, they need to be so hard.

The next day, Lin Ziming went to Yuancheng to meet Tao Sanniang.

Speaking of it, he hadn't seen Tao Sanniang for a while, and it was quite guilty to speak of it.

Although he and Tao Sanniang have established a relationship, this time, because he has always been busy with things, Tao Sanniang has no scruples about Tao Sanniang, and Tao Sanniang has been hanging out in Yuancheng for a long time.

However, Lin Ziming went to Yuancheng this time and didn't directly tell Tao Sanniang on the phone that she planned to give Tao Sanniang a surprise. He didn't even say Jiang Liqun, that he ran over secretly all by himself, very low-key.

Because he knew that once he told Jiang Liqun, with Jiang Liqun's character, he would definitely make a grand and exaggerated welcome. Even though Lin Ziming is now the number one in G province, his character is still very low-key, and he doesn't like to be so ostentatious.

After arriving in Yuancheng, he didn't go directly to Tao Sanniang, but was outside the company, waiting for Tao Sanniang to get off work.

He knows that Tao Sanniang will leave work here after one o'clock every day.

However, when he waited almost to the point, suddenly a red sports car drove over at high speed. The speed in the city exceeded eighty yards, and there was no slowing down, so it rushed straight over.

There was a roar from the engine, and Lin Ziming frowned immediately.

He has always been displeased with this kind of behavior, but he didn't bother to take care of it, but suddenly, he found something was wrong. A little girl came out of the corner and was frightened by the sports car that suddenly rushed over. Stay in place and won't move anymore.

Lin Ziming gave a squeak, then screamed badly.
