

## Chapter: 1415

At the speed of this sports car, within such a short distance, the car would definitely not be able to stop, and the little girl would be knocked into flight. At this time, Lin Ziming couldn't take care of that much anymore. He shot directly and dashed out. At the moment when the sports car didn't hit the little girl, he quickly hugged the little girl, and then turned around to avoid the sports car.

With his cultivation skills, it is easy to hide from a sports car. Even if he is hit by a sports car, there is nothing wrong with it. The only one who is injured is the sports car.

Lin Ziming was very angry about the bad behavior of the sports car owner. He snorted and then shot. When the sports car staggered, he shot directly, kicking the stone on the ground, and shooting towards the front wheel of the sports car at high speed.

He shot with anger, how terrifying his power is, let alone sports car tires, even if it is a copper wall and iron wall, a hole must be punched.

So there was a bang, the tire punctured directly, and the sports car was at such a high speed, the car body began to lose balance, hit the tree next to it, and the front of the car was sunken in.

This sudden change dazzled everyone present, and none of them thought that the little girl was so fateful that when she saw that she was about to be hit, someone suddenly appeared and hugged her away.

And the sports car suddenly punctured and hit a tree, which was a coincidence.

Yes, they have never seen how Lin Ziming made the move.

The little girl was in a state of despair. What happened just now made her unable to react for a while. After a while, she came back to her senses and cried out wow.

Lin Ziming quickly comforted: "Little sister doesn't cry, it's trouble, it's trouble."

This little girl was only seven or eight years old, and she was very cute. If Lin Ziming hadn't just appeared here today, she would have been hit by a sports car just now. The young life fell. In this regard, Lin Ziming's heart is still a fire. In this big city, people come and go, this guy actually drives so fast, obviously he doesn't take other people's lives seriously!

At this moment, the door of the sports car was opened, and a man with a greasy face and a famous brand came out. He was injured on his forehead, bleeding out, and flowing to his face, giving him a hideous expression. Looks even more ferocious.

After he came out, he was full of anger and cursed loudly: "You are looking for death!"

He pointed to Lin Ziming's nose and cursed.

Then he saw his sports car crashed like this, and the corners of his mouth were twitching. This collision cost him hundreds of thousands!

Moreover, he dressed up so handsome specially today to chase beautiful women, and he was really annoyed when it came out of this matter.

He strode over and pointed to Lin Ziming's nose and cursed: "You're looking for death, who made you rush out just now! I crashed Lao Tzu's car. This is McLaren. Millions, can you afford it, a poor ghost!"

He yelled at him, which was very indecent. He almost killed someone just now. Not only did he feel a little bit ashamed, but the wicked filed a lawsuit first, and his behavior was particularly bad!

Lin Ziming said coldly: "You still have the face to say that when you drove so fast just now, you almost ran into the little girl. If you hit the speed just now, the little girl will die! Your broken sports car, Is it comparable to a human life?"
