

Chapter: 1417

Lin Ziming's kick did not kill him, but he also felt uncomfortable. The other party only felt that his intestines had been kicked off. He grew up and had never suffered such violent pain before, and he suffered a lot of cold sweat. The ground flows down.

Besides, where did he still have the prestige and handsomeness just now, he didn't know how embarrassed he was, and the brand-name suits were also dirty.

Lin Ziming should not be merciful to such rubbish and directly teach him a lesson.

Now Lin Ziming's temper can be said to have become better or worse. He has a very good temper with the people around him, the kind people, like a spring breeze. But for enemies and people with bad behavior, he uses violence to control violence.

Everyone was shocked to see Lin Ziming being so stubborn that he had beaten the handsome sports car like this. Some people thought that Lin Ziming was very domineering and relieved, but more people felt that Lin Ziming was young and he didn't think about doing things. as a result of.

I can think of it. People who can drive millions of sports cars must have a lot of money at home and have a very different background. If ordinary people offend such people, they are looking for death, and they are likely to take the whole family in!

Lin Ziming wouldn't care about this, let alone the dude in front of him, even if it was the nobleman from Yandu, he would not miss it.

"Apologize." Lin Ziming walked to the handsome sports car guy, looked down at him condescendingly, and said coldly. From his body, a powerful pressure radiated from him, making the handsome sports car face pale and inexplicably fearful.

But he didn't give in. He was now more angry than fear. He didn't know who was standing in front of him. He thought Lin Ziming was just an ordinary person.

"Lao Tzu Da Nima!" He yelled, "You rush to the street, you are dead! Do you know who Lao Tzu is, you dare to call Lao Tzu! Lao Tzu can get a hundred people to kill you with just one phone call? !!!"

Lin Ziming shook his head and said, "I don't know how to repent."

He stomped on the opponent's face directly and ravaged vigorously.

This scene seemed a bit cruel. The handsome man in the sports car had a bruised face and swollen face, bleeding screaming like a pig.

This picture makes some people around me feel a little uncomfortable.

The handsome guy in the sports car was dumbfounded, and he didn't even think that there are still such tigers in this world who dare to insult him like this. Is it because he is living impatiently?

However, it's really damn pain, how could he have been treated like this before, and if this continues, his face will be broken.

He quickly asked for mercy, "Don't step on it, don't step on it, I surrender, I fucking surrender!!"

Lin Ziming let go of him, and still said coldly, "Apologize."

He is now in a very embarrassed state, not to mention all the name brands, especially his face, which is even more colorful. Ssangyong goes out to sea, and nosebleeds are streaming out.

His heart was so angry that he had a murderous heart, but he didn't dare to show it, so he had to hold it back firmly. He stared at Lin Ziming firmly, and wanted to remember Lin Ziming's appearance, he must take revenge. , Return the pain and humiliation just now to Lin Ziming ten times a hundred times!

The hero doesn't suffer from immediate losses. He can see it now. The guy in front of him should have learned a bit of kung fu, and his combat effectiveness is a bit strong. He is now single-handedly not an opponent. He regretted it a little bit. He knew that this would happen, so he would bring a few bodyguards!

Now he decided to go for a while, took a breath, and said: "I apologize, I was wrong just now..."

However, before he had finished speaking, Lin Ziming slapped him in the face, making his ears buzzing, "Be sincere, speak louder, and be sincere."

哐啷哐啷...

The handsome sports car guy gritted his teeth and clenched his fist, he really hated Lin Ziming!

Especially now, there are still so many passers-by watching. The most disgusting thing is that some people take out their mobile phones to record videos. Once they are posted on the Internet, his face will be lost.
