

## Chapter: 1420

She sighed slightly in her heart and said, "Okay, go home first. I'll change into an evening dress. Go and prepare the information, and then send it to my mailbox."

"Okay, President Tao."

The secretary thought for a while and then said, "President Tao, one more thing, President Pei of Shengda Group has invited you to eat tomorrow..."

Before the secretary finished speaking, Tao Sanniang said directly: "Refuse it and tell him that I already have a boyfriend and will not go to dinner with him, so that he doesn't have to waste time."

"However, President Pei has invited many times. You always refuse, President Tao. Wouldn't it be bad? After all, our company and Shengda still have a relatively in-depth cooperation." The secretary said cautiously. She has been with Tao Sanniang for a while, but she has never seen who Tao Sanniang has been intimate with, so she doesn't believe Tao Sanniang really has a boyfriend, but Tao Sanniang refuses to pursue her. That's it.

When Tao Sanniang heard this, she fell silent and frowned slightly. The secretary was right. Now the Lin Group, Yuancheng Branch and Shengda Group do have a relatively deep cooperation. If offended Mr. Pei, it's a bit bad.

"Okay, let's have a meal with him tomorrow." After careful consideration, Tao Sanniang chose to agree. Anyway, it was just a meal, and it happened that Mr. Pei could explain it.

However, at this moment, a voice rang from behind them, "You don't need to accommodate, if Shengda Group dared not cooperate, it would be his loss."

When Tao Sanniang heard this voice, she was stunned on the spot, and her body trembled slightly.

She was so familiar with this voice, she didn't know how many times she had heard it in her dream, it was Lin Ziming's voice!

But she couldn't believe it was true, and thought she had hallucinations, because it was not the first time that she had the same hallucinations.

The secretary turned around immediately. She saw a slender but ordinary man standing behind her. He didn't seem to have any temperament at all, and she knew it was an ordinary person.

"Who are you, let's talk about things, is it your turn to give pointers here!"

The secretary arrogantly said: "Bodyguard, kick this person out, so as not to affect President Tao's mood."

The secretary didn't know Lin Ziming. She had just joined the job, and she would never have thought of killing her. The ordinary man in front of her is Lin Ziming, the boss behind the Lin Group, her immediate boss!

The two bodyguards immediately moved forward and strode forward to

drive Lin Ziming out of the opponent.

At this moment, Tao Sanniang came back to her senses, she quickly looked back, and immediately saw Lin Ziming, who was standing behind her, showing her a petting smile.

When she came into contact with Lin Ziming's eyes, her eyes were red, and her heart was filled, she couldn't help shouting, "Ziming!"

Immediately afterwards, she made a move that made everyone present's eyes fall sharply. She saw her breast swallow throwing her arms at Lin Ziming, threw herself into Lin Ziming's arms, and hugged Lin Ziming tightly. , Breathing desperately from Lin Ziming's body, "Ziming, is it really you? I miss you so much..."
