

Chapter: 1422

The secretary was so scared that his mobile phones fell on the ground. Is this the chairman of the Lin Group? This, this is too young! Moreover, it's the man behind Mr. Tao!

Her first reaction was not to believe it, but soon her reason told her that it was true, because Tao could never make a joke about it.

She couldn't help but get nervous now. This is the chairman of the Lin Group, and she just ordered the bodyguard to drive away. This is not offending the chairman.

She quickly apologized: "The chairman is sorry, but I didn't know Taishan just now, but I didn't recognize it as you. I would like to forgive the chairman."

She was terrified and uneasy.

Naturally, Lin Ziming would not have the same knowledge as her, waved his hand and said, "The one who doesn't know is not sin."

The secretary felt relieved when he heard this.

Next, the two bodyguards also quickly apologized, and some employees who walked out of the building spread the message from one to another. Upon hearing this message, they came over one after another, greeted Lin Ziming, and tried to save themselves. impression.

When they saw that Lin Ziming was so young and in such a good body, they all found it incredible.

Some female employees were even more thoughtful and looked at Lin Ziming secretly, but they immediately saw Tao Sanniang who was next to Xiao Niao Yiren, and they gave up their minds one after another.

They still have self-knowledge, there are evildoers like Tao Sanniang, they must have no chance at all.

Tao Sanniang enjoyed being by Lin Ziming very much, watching Lin Ziming calmly face, made her feel proud and safe.

"You have a banquet tonight? Is it important?" Lin Ziming said.

Tao Sanniang shook her head and said, "It's not important, it's just a normal business banquet. It doesn't mean anything. I didn't want to go. Now that you are back, I have to accompany you."

Lin Ziming saw the frantic look in Tao Sanniang's eyes, his heart was hot, and a stunner like Tao Sanniang, who was doing chai Liehuo, would be ready to go.

"Cough cough." He coughed twice, avoiding Tao Sanniang's eyes. There are still people around now. Don't show this kind of things between lovers.

"Okay, let's get rid of it. Let's go shopping together."

Tao Sanniang nodded vigorously, revealing a bright smile, like a hundred flowers blooming, and amazed the audience for an instant, "Okay, I listen to you!"

The men around, all full of dog food, all kinds of envy, jealousy and hatred, completely looked down on them, and left lonely.

Soon Jiang Liqun also received the message. He knew that Lin Ziming had come to Yuancheng, and he immediately called and said he wanted to greet him, but Lin Ziming refused. He never liked to engage in formalism, and everything would be fine.

Next, he and Tao Sanniang walked around the night market in Yuancheng hand in hand.

Speaking of it, it's really been a long time since he has had such a relaxed life, living a normal life for ordinary people, I have to say that it really has a different taste.

Tao Sanniang was always happy during this period, and the smile on her face never stopped.

However, as they walked out of the night market, they encountered an unhappy thing...

In front of them, more than a dozen people appeared, and the front of them was the handsome sports car guy who was taught by Lin Ziming today. He is now staring at Lin Ziming angrily.
