

## Chapter: 1430

“But I guess that if I don’t show up for a long time, people in the circle will know that something happened to me, and they will definitely take action against the Lin Group. At that time, you will throw away the shares in advance, discount them, and share my share. For my family. You also find a place to hide and avoid the limelight.”

Lin Ziming’s expression was serious, and he was not joking at all.

But for the three of them, after listening to them, their hearts were very cold, and a sorrowful sorrow emerged spontaneously.

You know, even if Lin Ziming was going to the Lion Mountain last time and grabbing the Colorful Origin Fruit, he didn’t even have to explain the funeral with them. But this time, I can imagine that Lin Ziming has died of nine deaths this time, and the level of danger is even greater than that of the last time!

But they couldn’t understand why Lin Ziming had already gotten where he is today, so why did he have to die?

Isn’t this enough to support you?

Lin Ziming didn’t interrupt when they saw their silence, letting them digest slowly.

After a while, Jiang Liqun said, “Chairman, do you have to go to Luotian headquarters this time?”

“Yes.”

“Is there a chance of surviving?”

“Have.”

Jiang Liqun nodded vigorously and resolutely said: “Chairman, I will wait for you to come back!”

Wang Shougui and Han Jinlong knew that Lin Ziming was determined and had to go. Although they were puzzled and unwilling, they didn’t have much to say. They pray that Lin Ziming can come back alive.

This message was too sudden for them, and they were totally unprepared, until they walked out of the office, they were still a little bit stunned.

When they looked at each other, they both sighed for a long time. It was really frightening to keep up with such a boss.

However, Lin Ziming has always treated them not badly. Since Lin Ziming has made a decision, those who are subordinates will just execute the order.

Lin Ziming next called Tao Sanniang again and told Tao Sanniang about this matter.

After speaking, there was a long, long silence on the other end of the phone.

For almost two minutes, Lin Ziming also didn’t speak, and kept listening.

“I still said that, I am your person in life, and your ghost in death. If you really can’t come back, don’t walk so fast, Huangquan Road, wait for me.”

Tao Sanniang’s tone was firm. , And affectionate.

Lin Ziming took a short breath and didn't talk too much nonsense, so he responded earnestly and said, "Okay."

After hanging up the phone, Lin Ziming still quietly said sorry. At the end of the question, he still had to tell Chu Fei about this, and this was the hardest thing for him to speak.

In fact, he can almost guess Chu Fei's reaction...

No matter how difficult it is to speak, he has to open it.

Just when he wanted to call Chu Fei, it happened that Chu Fei called him a few seconds first.

After answering the phone, I heard Chu Fei's pleasant voice, "Hey Ziming, I bought two movie tickets, do you have time to watch it together?"
