

Chapter: 1431

When I saw Chu Fei, it was already night.

There was a slight rain in the sky, and Chu Fei was wearing professional clothing, standing under the eaves of the building, standing tall, cold and elegant, like an independent plum blossom on a snow-capped mountain.

People passing by are all attracted by her.

For a long time, Chu Fei has been a very attractive woman. She is called the number one beauty in Hwaseong, which is not justified.

When Lin Ziming saw her at this time, it was as if he had returned to the scene when he first saw her a few years ago. At that time, he was a bereavement dog. He was homeless and desperate. He once thought about suicide. It was Chu Fei's appearance. , Saved him and gave him a reason to live.

He still remembers how amazing it was when he first saw Chu Fei.

Now time flies, he is no longer the Wu Xia Amon before.

Soon, Chu Fei saw him, with a joyful and happy smile on her cold face, and she greeted Lin Ziming.

Lin Ziming also quickened his pace.

"You are here." She took Lin Ziming's hand actively and smiled very sweetly and happily. Her smile suddenly lost the color around her and was concealed by her demeanor.

Lin Ziming greedily inhaled the scent from Chu Fei, even if he had smelled it countless times, he still felt it smelled good, not at all greasy.

"Have you waited for a long time?" Lin Ziming smiled softly. The two of them looked at each other, and they both saw the affection in each other's eyes. After several years of getting along, they were already old couples and wives.

The people around who were amazed by Chu Fei's appearance felt sour after seeing this scene.

There is no man who wants to see a peerless beauty and put it in the arms of other men. This is an instinct.

"No, I just got off work." Chu Fei said with a smile, Xiao Niao Yi Ren, and Lin Ziming strolling in the drizzle, walked towards the parking space.

Next, Lin Ziming and Chu Fei went for a meal first, and then went to the movies together.

Speaking of it, they have also been to a movie for a long time.

The smile on Chu Fei's face has never disappeared. She feels that she is the happiest woman in the world. As long as Lin Ziming is there, she feels safe, relaxed, and happy.

However, she was ashamed to see a flash in Lin Ziming's eyes.

This movie tonight is a comedy, the quality is good, there are many laughs, and it is not very clichéd, Chu Fei giggled.

Until the film was over, she was still quite interested.

After that, I went to the night market and ate some snacks. Chu Fei was satisfied and started to go back.

Everyone took a shower, and after some wind and rain, Chu Fei said softly, "Ziming, did something happen?"

In fact, Chu Fei is not stupid, she felt it just now, Lin Ziming has something on her mind, but she hasn't said anything all the time.

Lin Ziming was silent for a while, and then said, "I'm going to Luotian headquarters tomorrow to find my mother."

Lin Ziming once told Chu Fei about Luo Tian, so Chu Fei knew about it. Now that she heard this, she suddenly had a short breath, and her face suddenly became worried.

"Has it been decided?" she asked softly.
