

Chapter: 1450

Lin Ziming in the crowd, listening to these crimes, his fists were tightly clenched, and his heart was angry like a volcano erupting!

Finally, the old man looked down at Qin Yuehua and said in a trial tone: “Qin Yuehua, can you plead guilty?!”

Qin Yuehua bit her lip tightly. After listening to these unwarranted crimes, she lowered her head and her body trembled uncontrollably. She knew Jian Rushuang’s vicious intentions, but she wanted to pour her dirty water and make her a heinous sinner, so that she could show the justice of Jian Rushuang!

However, she really has no choice now.

The audience fell silent for a while, everyone held their breath and stared at Qin Yuehua closely to see if she would confess her guilt.

The old man frowned and scolded: “Qin Yuehua, the old man asks you one last thing, you can confess your guilt!”

Qin Yuehua raised her head with pale lips and a little blood. She said in an imploring tone: “I, confess my guilt, but can you guys put the neon clothes on, she is innocent.”

She said this to Jian Rushuang, already begging extremely.

Jian Rushuang’s face was stern, unmoved, “Qin Yuehua, this is not the time for you to bargain.”

Qin Yuehua bit her lip tightly. She knew what Jian Rushuang meant. If she did not plead guilty, she would throw her and the neon clothes into the Ugly Hantang...

I have to say that Jian Rushuang is very despicable and doesn’t have the demeanor of the Heavenly King of the Eastern Region, but besides obedience, she also has no way of doing it.

“I, confess guilt...” She said this, as if all her strength had been drained, kneeling there like a statue.

The corners of Jian Rushuang’s mouth raised, revealing a satisfied smile.

Then, the old man continued to read, and said a lot of the charges of neon clothes, and it took five minutes to show off.

The main point is that Nishang has fornicated Lin Ziming and betrayed the Luo Tian organization, which is also punished with death!

“Nishang, can you plead guilty?!”

Nishang is dying, she is like a gossamer, if she is not holding it all at once, she will not be able to hold it now.

“Can you let auntie, she has never betrayed the organization, she has never left the organization again, why are you trying to kill it like this?” Nishang’s tone was very unwilling.

“Presumptuous!” the old man shouted angrily, “Bold and bright clothes, there is no holy king in his eyes, no organization, it is a capital crime, come

on, ask immediately!!”

When the voice fell, there were immediately two naked and topless big men, holding two one-and-a-half-meter-long swords in their hands, strode over, and they stood in front of Qin Yuehua and Nishang one by one, and held them up. Dadao, ready, waiting for Jian Rushuang’s order to chop off the heads of Qin Yuehua and Nishang!

On the altar, there is a Risheng, when the time is up, he will immediately ask Zhan.

Seeing it, the time was about to come, everyone concentrated and watched closely.

“It’s time, cut!”

Jian Rushuang opened his mouth and spoke with an absolute command. With a big wave of his hand, he threw out two tokens with the names of Qin Yuehua and Nishang written on them.

When the executioner got the order, murderous intent appeared in his eyes, and the sword was slashed down!

Qin Yuehua closed her eyes and sighed for a long time. She was extremely regretful and afraid. Tears flowed from the corners of her eyes, and she whispered softly: “Ziming, mother, I’m sorry, goodbye, my son... .”
