

Chapter: 1454

“You all have to die.” Jian Rushuang sneered.

Qin Yuehua realized that it was impossible for Jian Rushuang to let Lin Ziming go. She immediately turned around and said to Lin Ziming, “Son, you run, don’t worry about mom, run!”

Lin Ziming held her hand and said very seriously: “Mom, don’t worry, I will not run. I said that I will save you and Nishang today, then I will definitely do it.”

Qin Yuehua was stunned for a moment, and then she said anxiously, “Oh, why are you so disobedient? You don’t know where this is. You can’t save Mom!”

Lin Ziming stood up and said to Jian Rushuang: “Sword Rushuang, you are known as the first person in the realm of God. I challenge you today. I wonder if you dare to fight?”

When he said this, he was so proud and vigorous that he was so vigorous that he seemed to have shook the heavens, and made a rumbling sound, which sounded all around.

So many members of the Luo Tian organization present felt the aura of Lin Ziming and couldn’t help but be shocked!

The look in Lin Ziming’s eyes has changed a little, especially those little people, who only feel dreamy now. The little people who gagged with them just now are the ultimate powerhouses of Dzogchen in the Innate Realm, and they have to attack the sword Rushuang. Challenge, this is too scary!

Suddenly, everyone looked at Jian Rushuang to see how he responded.

Jian Rushuang snorted coldly, “I don’t know whether to live or die, you, ants, dare to challenge me?”

“Why, are you scared? You dare to claim to be the number one master in the realm of the gods because of you, I think it’s nothing more than that!” Lin Ziming used agitation.

“Presumptuous!” Jian Rushuang yelled violently, with a ferocious aura, emanating from his body, sweeping the audience, and everyone in the congenial realm could not bear his anger and fright. I had to kneel down one after another, shivering.

Lin Ziming took a step forward and used his body to block the aura of Jian Rushuang, so both mother Qin Yuehua and Ni Shang were not harmed by the aura of Jian Rushuang, otherwise, with their current physique, they would have to be frightened on the spot.

The sword is like frost and its heart can be condemned.

“Come here, catch this person for me!” Lin Ziming gave an order, and immediately walked out of the crowd, many masters of the innate realm, their aura is not weak, if they swarm up, then Lin Ziming is indeed difficult to fly. .

Suddenly, Qin Yuehua became worried. She grabbed Lin Ziming's hand and was extremely nervous. She was not afraid of death, but she was afraid to see Lin Ziming die in front of her, and the white-haired person would send the black-haired person.

Lin Ziming was not worried at all. He squinted his eyes and said: "Sword Rushuang, you know my strength, if I kill a lot, I don't know, how many people in your Luotian organization will have to die?"

When Jian Rushuang heard this, his face suddenly changed, and his face became gloomy.

What Lin Ziming said was true. Although Lin Ziming was unable to fly with wings and could not leave the Luo Tian organization alive, on the contrary, it was impossible for him to capture Lin Ziming without hurting a single soldier.

This is the base camp of the Luo Tian organization. It was originally their advantage, but now it has become Lin Ziming's reliance.
