

Chapter: 1479

It is not that Li Dao is arrogant, but that he has such confidence, because he has investigated the three places of Xuanyuan that is the most powerful, is their chief director Peng Zhuo, the fourth stage of the innate realm, but he has not reached the peak. And because Peng Zhuo's qualifications can only be said to be mediocre, and he is the management, there is no time to practice, the true strength is definitely not much better.

As for the others, like Zhao Xia, Xiao Cangmang and others, it is even less worth mentioning.

This time the Kung Fu Cup is very important to China. It is very important to China. If you can stand out on it and make the Kung Fu Cup beautiful, then it will be a great achievement. Besides, this was not originally a difficult task, it was a sweet potato, and for such a fat, it was actually assigned to three places of Xuanyuan to be responsible. Li Dao was really upset because he was from one place of Xuanyuan. people.

In his opinion, this important task should be entrusted to Xuanyuan to perform.

However, this is an order directly issued from above. No matter how big his opinion is, he dare not refute it directly. What he can do is to follow General Qin, come to Province G, and humiliate Xuanyuan severely at the reception banquet. One meal in three places, the many masters of the three places in Xuanyuan were beaten to the ground. At that time, General Qin had reason to report to the above that the three places in Xuanyuan were not able to take on this important task, so they were handed over to the first place in Xuanyuan. This is him. Agreed with General Qin.

Faced with this kind of thing, the people in Xuanyuan Three were naturally frustrated and gritted their teeth, but they were helpless because they had to admit the fact that Lin Ziming was there, and they were indeed not Li Dao's opponents. Of course, if they go together, they will definitely defeat Li Dao. But this makes no sense. Even if you win, you lose.

They regret it now, and they called Lin Ziming to come with him if they knew it, if Lin Ziming was there, where is the guy who is going to be the Li Dao?

When Li Dao saw that so many of them were dumbfounded, he was even more shocked. He snorted and said, "You three places in Xuanyuan, are you just this capable? Don't even dare to go together, because you still have the face to dare to take it. The important task of hosting the Kung Fu Cup!"

General Qin also came out and said, "Director Peng, this Kung Fu Cup is not a trivial matter. It is related to the face of our country. From my point of view, since you are not capable, even Instructor Li can't beat Instructor Li, don't make a swollen face. Chief Peng, you are a smart person, you know, when the Kung Fu Cup is broken, you are a small director, but you can't

take this responsibility. Therefore, as a friend, I suggest you to take the initiative to go up. Apply, let this important task be given to Xuanyuan, it will be good for everyone.”

It can be said that there is no face for a little bit, and other people have also fallen into trouble. On the surface, they are kindly persuading. In fact, they are disgusting and despising the three places of Xuanyuan. Suddenly, the people at the three places of Xuanyuan have ugly faces. To the extreme!

“Li Dao, you don’t want to be arrogant! In the eyes of our chief instructor, your three-legged cat skills are not at all tabletop!”

A senior could not help cursing immediately.

Sun Liang also continued: “General Qin, you don’t have to be hypocritical here! If we don’t have this strength in all three of Xuanyuan, then we won’t be in Xuanyuan one even more!”

Zhao Xia couldn’t help but said loudly, “Yes, we have the most powerful chief instructor of the three places in Xuanyuan, there is still no one to come, what are you arrogant about here!”

As he said these words, other people in the three places of Xuanyuan looked at him.

Sun Liang whispered: “Old Zhao, what’s the situation, did you still tell Instructor Lin?”

Originally, Lin Ziming had not been notified of this reception. First, they didn’t expect that the people from Yandu would attack them in this way. Second, Lin Ziming was about to go home. But I never imagined that something like this would happen!

So they all regret it now. They had known that if they called Lin Ziming directly, they would be able to slap Li Dao and General Qin fiercely in the face!
