

## Chapter: 1484

He was very angry and grinned, showing a cruel and hideous smile, “Okay, very good, very good! Lin Ziming, the chief instructor of Xuanyuan 3rd place, right? You have a kind! Lao Zi has been humiliated like this for a long time. After that, you are the first man Lao Tzu has encountered in the past ten years!”

Facing his threat, Lin Ziming didn't even wink, but still had a faint smile on his face, and he didn't even look at him at all.

Just kidding, Lin Ziming is now the first person in the Innate Realm Dzogchen, even Jian Rushuang has been defeated by him, and he can't get out of the God Realm, who is his opponent? Not to mention the small Li Dao, but the ants in the fourth stage of the Innate Realm, even if they are the Dzogchen in the Innate Realm, Lin Ziming didn't care about them, and dared to fight him and crushed them with one palm.

It is not that Lin Ziming is arrogant, but that he has such strength!

“Li Dao is really hot, this man named Lin is going to die!”

“Yeah, Lao Li is here for real. I remember the last time he showed this expression, it was ten years ago. At that time, an S-level powerhouse in the beautiful country provoked Lao Li in such a way, and he was killed by Lao Li on the spot. The palm slapped to death and turned into a pile of mud! Now this guy seems to be the third stage of the Innate Realm. In front of Lao Li, he is an ant-like character. He dare to provoke Lao Li like this, I don't know. Where is his courage.”

“Then it goes without saying, it must have been the crazy hype of Xuanyuan 3rd place during this period of time, making him the first master among the younger generation, and he is also known as the innate realm of great perfection who is less than 30 years old. , A genius who is rare in a thousand years, so he believes it and floats away.”

“The analysis is very reasonable, it seems that this is the case. It's a pity, this guy provokes someone bad, he actually provokes Lao Li, the entire Yandu, who doesn't know that Lao Li is notoriously grumpy, now He provokes Lao Li, isn't he looking for death!”

“Look, Lao Li definitely can't spare him. He has broken his hands and feet, and the abolition of the cultivation base is the lightest. When I saw that Xuanyuan three places were willing to protect people.”

At this moment, the camp of Yandu came to discuss enthusiastically, gleefully looking at Lin Ziming and the people in Xuanyuan three places. In their opinion, Lin Ziming was already dead, even Xuanyuan would be affected in all three places.

At this moment, Lao Li turned his head and said to General Qin: “General Qin, I want to kill him.”

He was asking General Qin. It was the same as Lin Ziming just now, but he

got a different answer. General Qin nodded and said, “No question.”

When Lao Li heard this, his eyes brightened and he became even more excited. In his eyes, there was a scary red light, which looked particularly scary, and he licked his lips and looked at Lin Ziming. It’s like looking at a prey.

“Boy, you are dead. There has never been someone right in front of me, so arrogant!” Li Dao stared at Lin Ziming with lightning, full of murderous intent, and this murderous intent was so intense that it made Xuanyuan three places behind Lin Ziming. Everyone shuddered.

But Lin Ziming smiled, and stretched out a finger to Li Dao, and said, “One move.”

“Huh?” Li Dao expressed doubts.

Lin Ziming continued: “With one move, I will defeat you, otherwise I will lose.”
