

Chapter: 1485

Li Dao: "..."

General Qin: "..."

Everyone in the Yandu camp: "..."

Hearing Lin Ziming's words, they were all speechless. They all looked at Lin Ziming like a fool. They thought that Lin Ziming must be crazy, so they said such words.

Who is Li Dao, an absolute master, even if he is a master of Dzogchen in the Innate Realm, he dare not be arrogant, just defeat Li Dao with just one move! As for the three places in Xuanyuan, they were all very excited. It was not the first time that they met Lin Ziming. They knew that Lin Ziming was not a bragging person, because every time Lin Ziming made a speech that seemed arrogant, it was actually the last He has achieved it.

Just like now, Lin Ziming said that if he defeated Li Dao with one move, he would definitely be able to do it.

The corner of Li Dao's mouth twitched twice again, and then he let out a wild laugh, his entire face flushed, and his intense anger made him tremble all over: "Hahahaha! Good! Good! Me? Even if you are a master of Innate Realm Dzogchen, I don't dare to be so arrogant! I want to see, how can you defeat me with one move!"

After saying this, he brazenly shot.

I saw his eyes widened suddenly, like a copper bell, and the kind that would glow. In an instant, in the huge banquet hall, the lights suddenly became much brighter, and even some people with a lower realm directly thought of it. They all stopped running, even the heartbeat stopped.

It seemed that for just a second, the time around them had stopped, which shows how powerful Li Dao's aura is.

Li Dao is really hot now. Originally, for him, facing Lin Ziming's ants, he could use at most 50% of the strength to crush. But now, he directly used 10% of his strength, and he wanted to crush Lin Ziming with an absolutely violent and invincible posture!

He wanted to shoot Lin Ziming directly into mud.

Anyway, he had already obtained General Qin's permission just now. The sky fell, and General Qin was supporting him. What was he afraid of?

There was a roar, almost for an instant, and there was no obstruction in the middle, Li Dao had already rushed to Lin Ziming's face, and then took a palm to pat it, and there was also the sound of lightning and thunder.

"Boom boom!"

At this moment, in everyone's eyes, Li Dao is no longer a human, but a thunder from heaven and earth, his palm contains the thunder and lightning of supreme energy, under one palm, Lin Ziming can be smashed into ashes. Right now, when Peng Zhuo saw Li Dao's move, his expression changed,

and he blurted out, “No, Li Dao, who doesn’t follow the rules, is a killer move! He is really going to kill Instructor Lin. !”

Zhao Xia also had a numb scalp. He thought that Li Dao was only a master in the fourth stage of the Innate Realm, and he could not be Lin Ziming’s opponent. However, under the palm of Li Dao, with all his strength, he actually hit the Great Perfection of the Innate Realm. The strength!

Moreover, the worst thing is that Lin Ziming seemed to be distracted. He watched Li Dao’s palm slapped it, and he didn’t have any reaction, and he didn’t even stop him!

If this were filmed, Lin Ziming would not be able to stand it even if he had a physique of Dzogchen in the Innate Realm!

If Lin Ziming’s cultivation level can’t stop Li Dao, then their three places of Xuanyuan’s face are really going to be lost!
