

Chapter: 1491

Lin Ziming had no ink marks, so he immediately rushed over at the address sent to him by Shangguan Shuyao.

That place was not far from Lin Ziming's place. It was only a 20-minute drive away. However, Lin Ziming didn't plan to drive there, so he walked there so that he could get there faster.

On Shangguan Shuyao's side, after she hung up the phone, she didn't feel any joy of being saved, but showed a sly smile.

"Why, he agreed?"

Beside her, a woman in a black evening dress came up and asked with a smile.

Shangguan Shuyao straightened her waist, took a sip of red wine, and said proudly: "Of course, I will go out in person. There is no reason why he can't come."

The woman in the black evening dress then asked curiously: "By the way, this guy you called is really capable of wrestling with Qin Long? His master is a little warrior, and he himself is also a master of innate realm. It's not that easy to deal with."

Shangguan Shuyao snorted disdainfully, "Cut, what's so great about Qin Long, in front of my friend, he is a weak chicken."

The other party shook her head. She obviously didn't believe Shangguan Shuyao's words. She narrowed her eyes and said meaningfully: "Really? I'm interested in your friend. I hope he won't let us down."

After a pause, she continued: "Look, Qin Long is here, think about how to deal with him."

Shangguan Shuyao looked in her direction, and she saw a man with a tall and slender figure, a suit and leather shoes, walking over with a goblet in his hand. His aura was very magnificent. Knowing that he is a big man, he directly became the focus of the audience, and his every move attracted the attention of the audience.

When he walked over to Shangguan Shuyao, he was followed by several people, all young people with outstanding backgrounds.

After Qin Long came over, he first nodded to the woman in the black evening dress, said hello, and then looked at Guan Shuyao gently, and said, "Shu Yao, I have been looking for you for a long time, I didn't expect you to come here. Up."

He is 1.85 meters tall, matching his appearance, his demeanor, his identity, and his charm is extremely powerful. More than half of the present are women, and at least two-thirds of them are in favor of him. To Shangguan Shuyao was also hostile.

Shangguan Shuyao said, "I'm here to make a call."

Qin Long smiled again and said, "Shu Yao, can I invite you to dance

together?”

I have to say that he is really handsome and charming, his eyes are particularly deep, like a pool of deep water, which makes people immersed in a glance.

Many women around, seeing him show such tenderness to another woman, they only felt their hearts broken.

Shangguan Shuyao was also affected by his gentle eyes, which caused her heart to beat faster, but she soon returned to nature. She shook her head and said, “No, it’s inconvenient.”

“Huh?” Qin Long was a little surprised, and then said worriedly: “Shu Yao, are you feeling well? I happened to know a famous local doctor. Would you like me to call him over and consult you.”

He is extremely gentle and considerate. He is a perfect warm man. If he changes other women and is cared for like this, he will have been moved to a mess, and he will directly throw his arms and hug him with his body.

But for Shangguan Shuyao, she didn’t have any feelings, because she originally had that kind of affection for Qin Long.
