

## Chapter: 1511

Lin Ziming's movements were not fast, everyone present could clearly see his movements, because of his shots, the atmosphere of the audience suddenly changed. The agents of Daniel began to get excited one by one, their faces started to flush, their eyes widened, and they wanted to watch Lin Ziming severely teach these damn foreigners.

As for those Lin family members, they are not very optimistic about Lin Ziming, thinking that Lin Ziming will definitely suffer this time, because two of these foreigners are masters of innate realm, especially the blond hair, even more innate. In the realm, they are all considered powerful. As for Lin Ziming, where is his opponent?

The foreigner looked at Lin Ziming even daring to attack him. He immediately showed a cruel and disdainful sneer. He said in English to find death, and then he started to move, punching Lin Ziming in the face.

Don't even think of him as the pinnacle of the day after tomorrow, but he is a professional fighting expert, and he has to participate in many competitions throughout the year. He is powerful, and even ordinary warriors are not his opponents. Especially his fists are very heavy, he is known as the "heavy gunner", one punch can knock off his opponent, now Lin Ziming is two laps smaller than him, he is not a heavyweight at all, one punch can directly Beat Lin Ziming fainted.

The other foreigners also laughed happily, thinking that Lin Ziming must be unlucky this time.

But soon, the scene that happened shocked them all.

I saw that Lin Ziming came to the foreigner and slapped it directly with no evasion. He slapped the opponent's fist with a slap, and broke directly. Then there was no obstacle in this palm. He patted the other side's shoulder heavily, and broke the bone with a loud bang, and directly patted the foreigner to the ground.

With a plop, he fell heavily to the ground and let out a desolate scream.

The shock caused by Lin Ziming's palm to those present is still huge, especially Lin Ziming's body, compared with the opponent, it is really far behind, like a child, a strong adult It's the same as dead.

"This....."

As a half-brother, Lin Zihao brows fiercely. Since childhood, he has been bullying Lin Ziming. Even if he lost to Lin Ziming last time, he did not feel that he and Lin Zimingzhi How big the gap between him is, he will always be able to catch up with Lin Ziming one day with hardship, and he will be

ashamed.

But now, the strength that Lin Ziming had unconsciously displayed was already beyond his imagination.

This foreigner, if it is one-on-one, he can beat, but he can never do so easily. As for the big cows, they are not surprised, they all know Lin Ziming's strength, the great devil of the innate realm of Dzogchen, kidding, it is not like trampling on the ants to kill a foreigner who is at the peak of the acquired day.

But those foreigners reacted the most, and they became furious all at once.

“Damn it! You yellow-skinned monkey, dare to hurt Jack, you are dead!”

“Despicable Chinese, you must have used some despicable means to figure out Jack! You are so bold!”
