

Chapter: 1514

But for these two foreigners, it was a strong provocation and offense, causing their brows to be fiercely provoked, and anger appeared in their eyes.

“Chinese people, you are very arrogant, you don’t even know who you are going to face.”

“Since you are so arrogant, then I will not show any mercy. I will teach you severely in front of your subordinates. At that time, I will see, what can you do to us in China!”

The two foreigners had grinning smiles on their faces, gearing their hands, staring at Lin Ziming tightly. They were obviously intent on killing Lin Ziming, and Lin Ziming must be concocted well to relieve their hatred.

Lin Ziming naturally wouldn’t put these two ants in his eyes. For him, no matter how many masters of this level came, it would be a slap in the face.

It just so happens that he can also use these two foreigners to stand up for power, to kill chickens and monkeys. Otherwise, if so many foreigners come to Hwaseong City, if they commit such crimes, he will be the one who is tired by then.

At this moment, a voice came from behind Lin Ziming, “Brother Ziming, don’t underestimate the enemy! These two foreigners are masters of the innate realm, very powerful, especially the blond white man, who is the most powerful! No, you should call your superiors and let them send masters to suppress it!”

Lin Ziming looked back, and the speaker was Lin Yuanyang, his distant cousin. At that time, after he received his grandfather’s inheritance, Lin Yuanyang was the first to come to him.

The whole Lin family, to say that Lin Ziming is least disgusted, except for the housekeeper, is this cousin.

He nodded and said, “Don’t worry, I’ll be fine, these two ants won’t get into my eyes.”

What he said is still very plain, but the content, heard in everyone’s ears, is full of incomparable domineering and self-confidence, and this domineering, in their cognition, has never appeared before, at such a moment. , They felt that Lin Ziming became more and more unfamiliar.

There was even an indescribable awe that made them unable to look directly at Lin Ziming again.

Da Bo Lin Shanhe’s lips moved, and he wanted to say something, but in the end he didn’t say anything.

When Lin Ziming was expelled from the Lin family, he did not humiliate Lin Ziming. At that time, he looked down on Lin Ziming, thinking that Lin Ziming was dead and expelled from the Lin family. Day.

But what Wan Wanzhen had imagined was that things would develop in this

direction later, especially now that Lin Ziming had unknowingly become an existence that absolutely made them look up to.

This feeling is really uncomfortable.

Lin Ziming didn't care about them anymore, because one of the foreigners had already begun to attack him.

It was the foreigner in the second stage of the Innate Realm. He shot very violently. With his huge body, I have to say that he was still quite powerful.

This shot immediately caused the Lin family behind them to hold their breath. Even Lin Zihao was shocked. If it was him, he would definitely not be able to stop the opponent's punch.

Lin Zihao couldn't understand what Lin Ziming needed to receive this punch.

But what happened next directly made him stunned, like a ghost.
