

## Chapter: 1524

And this interest is not a good interest, but a hunter's interest in prey. The leader of the beautiful country has been invincible for too long, and the leader feels lonely. This time he came to China with the Kung Fu Cup. He is 42 years old this year, but he concealed his age and claimed that he was only 39 years old this year. , And are eligible to participate in the Kung Fu Cup. Jack and Tom were extremely happy when they saw the expression of the leader. They knew that the leader was eyeing the Chinese and wanted to avenge them!

When they think of the humiliation of the Chinese people back then, they are extremely angry. If they see that the leader can avenge them, that would be an absolute pleasure!

Moreover, they absolutely believe in the leader's strength, even if the Chinese reaches the 5s level, he is definitely not the leader's opponent. You know, the same level of 5s, the same realm, the gap is also very large. Just two years ago, the leader did something that shocked the world. At that time, the leader defeated two 5s-level supernaturalists in neighboring countries with his own power. Since then, the leader's reputation has been internationally. Even more so!

On Lin Ziming's side, he didn't put Jack and the others in his eyes, even if he knew that Jack and Tom would go back, he would definitely report to someone more powerful, so as to stare at him, but what about it? With his current strength, he is invincible under the realm of the gods, no matter how strong the enemy is, he will not be afraid.

He is not worried that there will be masters of the God-Communication Realm staring at him, because he knows that, generally speaking, the masters of the God-Communication Realm will not arbitrarily set foot in a foreign country. For another country, this is a kind of Provocative behavior. In other words, if the beautiful country really has a realm of power to enter the country, it will be the first time the military god Huangpudao will be concerned. Furthermore, the masters of the God-Through the God Realm would not pay attention to him.

There was a light rain in the sky.

Lin Ziming came out of the house, sat on the Rolls Royce, and drove to Lin's house.

Grandpa's death day is coming soon, and he should indeed go back and pay his respects.

When driving to Lin's house, the original light rain of Lili didn't get any smaller, on the contrary, it rained more heavily. Although it was not heavy rain, it was not too small. People walking on the street would get wet very quickly.

But even so, when Lin Ziming went to Lin's house, all Lin's family were

waiting at the door. Just like that, all the people came out, including the children.

When they saw Lin Ziming's Rolls-Royce coming, they all cheered up and were extremely excited, without the slightest expression of being impatient or angry because of the long wait.

Lin Ziming saw this scene in the car and felt ironic.

Five years ago, in the eyes of the Lin family, he was just a dog. He was humiliated and expelled from the Lin family. But now, the Lin family has turned himself into a dog and treated him with the most respect.

These Lin family members are not clear. The more sincere and respectful they are, the more disgusting Lin Ziming is towards them.

“Welcome the second young master back to Lin's house!”

When Lin Ziming got out of the car, Lin Shanhe took the lead, shouted at Lin Ziming and bowed. The scene was so vast that it gave Lin Ziming a lot of face.
