

## Chapter: 1528

Only later, after Lin Ziming was expelled from the Lin family, this marriage was naturally cancelled.

Seeing Murongxue now, to be honest, Lin Ziming was still very emotional, and in his mind, he couldn't help but think of the bits and pieces he had experienced with Murongxue since childhood.

To be honest, at that time Lin Ziming really had feelings for Murong Xue, and he also believed that when he grew up, he would marry Murong Xue as his wife, but reality made a huge joke with him, which can be said to be true. He and Murong Xue have no relationship.

Five years later, Murongxue still has no changes, she is still so beautiful, with white skin, and she is a big beauty.

If Lin Ziming is not married and meets Murongxue again, his heartbeat will definitely speed up, but now, he is no longer the same Lin Ziming as before.

Seeing Murongxue again, he will just feel sorry for the ancients.

Murongxue stared at him, looked at him quickly, and then said: "Long time no see, where have you been all this time?"

Lin Ziming also smiled and said, "Yes, it's been a long time since I saw you..."

He just wanted to talk. At this time, a face appeared on the seat behind him. He stared at Lin Ziming and saw the plain clothes that Lin Ziming was wearing, and he appeared on foot, with a face appearing on his face. After some ridicule and disdain, he immediately said: "Murong, is this the childhood sweetheart you referred to? The one who was kicked out of the family five years ago? I don't think he looks good."

The tone of this sentence did not cover up and ridicule. After Murong Xue heard it, she was a little embarrassed, and Lin Ziming also frowned slightly. Who he is, where he can't be heard, is obviously Murong Xue said, Murong Xue also learned about his expulsion from the Lin family back then.

But just now Murong Xue pretended not to know this, and asked him where he had been in the past few years...

Thinking of this, Lin Ziming sighed secretly in his heart. It seems that in the past five years, not only has he changed, but other people have also changed, and everything is right.

But he didn't make Murongxue embarrassed, smiled, and said: "Murong, I still have something to do, so I won't chat with you anymore and see you later."

Said he was leaving.

Murongxue's mouth moved, she seemed to feel a little embarrassed, and said to Lin Ziming, "Wait a minute!"

Lin Ziming stopped and looked at Murong Xue, "Is there anything else?"

Murong Xue said: "Ziming, I haven't seen each other for so long. Now that

we have met again, let's have a meal together. Let's relive the past.”

Murongxue looked at Lin Ziming, her eyes full of expectation. Lin Ziming hesitated for a while and agreed, “Okay, you pick a time.”

Speaking of it, he hasn't seen Murongxue for many years. In any case, Murongxue was his childhood sweetheart who grew up with him. He was almost married at the beginning. Now that fate has allowed them to meet again, they have a meal together and reminisce about the past. , It is still possible.
