

## Chapter: 1544

And his behavior fell in the eyes of everyone, and it became a lunatic behavior, completely mindless.

Those who had been beaten by Lin Ziming just now stood up one by one, looking at Lin Ziming with immense hatred and annoyance in their eyes. They knew that Lin Ziming was very capable of hitting, and now they dare not attack Lin Ziming again. It is self-inflicted.

At the same time they started to call and call their thugs. Today they were beaten by Lin Ziming. With their temper, it is definitely impossible to give up!

If Lin Ziming had the same character as the second youngest of the Lin family, they would be beaten up. There was no way, after all, their background was still inferior to that of the Lin family. But now Lin Ziming is just a bereaved dog, how can he compare with them?

It's weird if they don't take revenge!

Murongxue now has no sympathy for Lin Ziming, and only hostility and hatred are left. She thinks that Lin Ziming doesn't give her face, especially the words Lin Ziming said just now, which completely irritated her!

Lin Ziming sat down and ate leisurely there, seeming to be strolling in the courtyard very leisurely, not at all paying attention to the current predicament.

He still has nothing to eat for dinner, and he is indeed a little hungry now.

He naturally won't let go after ordering so many superb foods on the scene.

Now his realm has reached the congenital realm of Dzogchen, his appetite is much bigger than before, and his appetite is bigger. In the past ten minutes, he has eaten the appetite of almost ten people, and everyone who was there was shocked.

But they didn't think so much, because they were all ordinary people and couldn't understand the horror of Dzogchen in the Innate Realm. Secondly, they are now full of anger and hatred for Lin Ziming, causing them to lose their normal sense. They think that Lin Ziming is a hungry ghost and reborn. They must have eaten such a good dish for a long time, thinking about eating before dying. It's a full meal.

So the atmosphere now looks a bit strange. There are so many people in the big box, all standing, staring at Lin Ziming full of hatred and anger, and Lin Ziming, the only one sitting in the audience, eats leisurely there.

After a while, Leyton's phone rang again. When he saw the call, his eyes lit up and he was excited. After the phone call, he chatted for a few words, and his face flushed with excitement!

At Lin Ziming, he laughed and said arrogantly and recklessly: "Hahaha, Lin Ziming, you trash, you are dead, the person I called has already come! Wait for your death!"

How long did the voice fall, and soon the door of the box was opened, and a group of people poured in from the outside, aggressive and incomparably scary.

“Which beast with no eyesight dares to offend Shao Lei, is he living impatiently?!”

Immediately, it was accompanied by a loud voice, full of majesty.

Lin Ziming was stunned for a while when he heard this voice, then he looked up, and was stunned when he saw the person's appearance.

This is a coincidence, the guy Leighton called, he is an acquaintance.
