

## Chapter: 1546

Anyone who was scanned by his eyes did not dare to face it, and quickly lowered his head, showing a respectful expression.

He was very satisfied with the awe these people had for him, which made him feel very face.

It also gave him a sense of the treatment of Lin Ziming's big shots. Speaking of which, he has also seen the chairman for a long time. He hasn't seen the chairman of the board. It's really hard to meet a person like a fairy like the chairman of the board. .

Leyton moved away, pointed his finger to Lin Ziming, and said loudly, "President Ding, the person who offended me just now is this beast! He is absolutely lawless, so let's not put me Leyton in his eyes. , I also said a lot of bad things that insulted Mr. Ding!"

Ding Fengmao followed Leyton's gaze and looked in the direction of Lin Ziming, "What, dare you to say bad things about Lao Tzu? Lao Tzu wants to see which animal it is..."

Suddenly, at this point, he couldn't say what he said. At the same time, his whole person was still standing on the spot, his expression was very exciting. Because he saw Lin Ziming, his brain exploded. This kind of strong contrast made him stand still, unable to recover for a long time!

And Leyton still didn't notice Ding Fengmao's abnormality. He was so excited and excited that his face started to flush with excitement. He strode towards Lin Ziming and raised his head, like that. The expression is as arrogant as it is, and he uses his nostrils to talk to Lin Ziming: "Huh! Lin Ziming, you beast, you dare to hit me Leighton? I think you are impatient! You don't go out. Ask me, who is Leighton? You, an ant-like thing, dare to be disrespectful to me?!"

"Now Mr. Ding is here, you should be arrogant to show Lao Tzu!" Leyton's chat box opened. He thought he was the winner now, and Lin Ziming was the prey who was about to be nailed to death. Joking and playing tricks, "Lin Ziming, do you think you have learned a little martial arts, and you are the best in the world? You are too naive! This world is about identity, connections, and strength! If you ran away just now, I will pay it back in a short while There is no way to do it with you, but you dare to stay, hahaha, I will depend on how you die this time!!!"

Now Leyton is extremely arrogant and happy, thinking that Lin Ziming is already the meat on his chopping board, let him handle it!

Lin Ziming didn't hear what he said, and continued to eat, without even looking at him, which made him very unhappy.

"Huh! You won't cry if you don't see the coffin, if that's the case, then you go to death!" Leyton finished this sentence, and then turned back to Ding Fengmao and said, "Ding Feng, I will see you next."

However, when he turned his head and saw Ding Fengmao's current appearance clearly, he finally felt something was wrong.

Ding Fengmao's face was now pale, his pupils were full of fear and panic, and a lot of cold sweat broke out on his forehead. The whole person was in a very abnormal state, and even his feet were shaking gently.

"President Ding, you..."

As soon as his voice fell, he saw a scene that made him feel incredible, even suspicious of life.

I saw Ding Fengmao hurriedly ran to Lin Ziming, bowed deeply to Lin Ziming, and said in a very respectful and fearful manner: "Subordinate Ding Fengmao, I have seen the chairman!!"

The whole box suddenly quieted up strangely. Everyone was stunned. They stared at Ding Fengmao in a daze. They couldn't fully understand why Ding Fengmao, who had such a high status, would respect Lin Ziming so respectfully. They had hallucinations. ?
