

Chapter: 1547

“Who did you say is a beast?” Lin Ziming raised his head and looked at Ding Fengmao faintly. His eyes were cold and he couldn’t see any anger, but to Ding Fengmao, it was like a lightning strike, causing his entire brain to blast. It exploded!

His whole body began to tremble, his mouth couldn’t close, his teeth were fighting all the time.

He knows how powerful Lin Ziming is. Even if his immediate boss Jiang Liqun has followed Lin Ziming, he has achieved today’s results. Even if Jiang Liqun is in front of Lin Ziming, he must be respectful and majestic. I dare not breathe.

In particular, Lin Ziming is more awe-inspiring and dreaded besides his distinguished status, powerful and powerful. It is Lin Ziming’s unfathomable strength, a peerless powerhouse who has achieved great congenial realm, and he is definitely not such a small person who can provoke him. of!

Usually in front of Lin Ziming, he always wants to try his best to please, but just now, he actually scolded Lin Dong as a beast, and wanted to avenge Layton...

Thinking of this, his brain was hypoxic, and he felt that he was going to faint, and he couldn’t even breathe!

Without hesitation, he knelt directly in front of Lin Ziming, and kowtowed his head vigorously, begging, “It’s because the subordinates have eyes but don’t know Taishan, and they don’t recognize the chairman. I ask the chairman. There are a lot of adults, don’t have general knowledge with your subordinates, your subordinates will kneel down for you...”

He kept knocking his head, banging, without a little reservation, and after a while, his forehead was already bloody.

And his move was absolutely shocking to so many people present!

Not only Leighton, but others have heard of Ding Fengmao. Knowing Ding Fengmao’s name, even in province G, he is considered a big man. Even their elders must be respectful in front of Ding Fengmao, for fear of offending him. Ding Fengmao, but such a big man, now actually kneels down to Lin Ziming like this?

This is too subversive, too incredible, they can’t believe that everything in front of them is true, they just think they have hallucinations.

It’s not that their ability to accept is not good, but that this is really a magical illusion.

Lin Ziming was quite satisfied with Ding Fengmao’s performance. He was a talent and sensible. He knelt down and apologized when he knew it.

Otherwise, with his temper, he would not kill Ding Fengmao, but would dismiss Ding Fengmao in one sentence. With his current status and business

empire, even if he fired any of his subordinates, it would not have any impact on him, including Jiang Liqun.

“You are quick enough.” Lin Ziming put down his chopsticks and looked at Ding Fengmao with a smile.

Seeing Lin Ziming’s appearance, Ding Fengmao was always nervous and nervous, and then slowly relaxed a little, and quickly said: “They are all subordinates who don’t have long eyes. I don’t recognize the chairman. I ask the chairman to forgive me. , Please forgive the chairman.”

Lin Ziming waved his hand and looked at Leyton, who was already stunned and cold sweat dripping from the side, with a smile, and said, “You have a good relationship with this Leyton? Just a call from him will make you obediently. Come here and help him teach others.”

Ding Fengmao is also an old man in the workplace anyway. How could he not understand the meaning of Lin Ziming’s words, he hurriedly said in denial: “There is no such thing! Chairman, this is all a misunderstanding. I am not familiar with this guy!” ”

Then, his eyes were fierce, and he asked Lin Ziming: “Chairman, do you want your subordinates to take action and get rid of this person?”

He made a gesture of wiping his neck, and his eyes were dark.
