A LIFE UPSIDE DOWN

Chapter: 1557

What a despicable Chinese!

The foreign leader couldn't help but complain.

But his movements were not idle, realizing that Lin Ziming would not let him go easily, he stood up despite the pain, turned around and ran.

He is no longer Lin Ziming's opponent at all. Even if he stays, it is just a dead end. If he doesn't run at this time, when will he run?

"Want to run? Can you run?"

Lin Ziming sneered.

He immediately rushed in the direction of the leader of the foreigner at a faster speed. This time the leader of the foreigner was so courageous. It would be a great offense to assassinate him, a high-ranking officer, on the ground of China. If the foreign leader is gone, then he, the chief instructor, might as well not do it.

The foreigner leader felt Lin Ziming's speed, and chased him, his heart was anxious, and he wished he had two more legs to escape!

At the same time, he felt extremely regretful in his heart. He had known that this damned Chinese was so superb that he would definitely not come to trouble!

But now it's too late to say anything, he can imagine that once he is caught by Lin Ziming, he will definitely end badly, after all, he committed the crime first.

In less than two seconds, Lin Ziming had already caught up with him, following him like a shadow, feeling Lin Ziming's breath, the foreign leader's heart began to despair, he knew that he could not run away.

However, at this moment, he suddenly saw that, in front of him, a woman suddenly appeared, looking at him in amazement, he suddenly felt happy and reacted.

For a time, his speed suddenly increased, almost instantly, he caught the woman, and then threw it over the rockery on one side.

"what!!!"

The woman was frightened immediately and screamed.

She is not an ordinary person in her own right, and her cultivation base has an acquired peak, but the gap between her and the foreign leader is still too big, she has no ability to resist, and even her clothes are ripped apart, even if she has a good psychological quality. People who are not afraid of the sky and the earth are not afraid, now they can't help being frightened.

Because she was flying too fast, once she hit the rockery, she would definitely be finished, and she would be disabled if she didn't die.

At that moment, she felt the breath of death, and the whole person was

terrified, as if the whole world was suddenly darkened, and she was about to die in the next moment.

Lin Ziming frowned deeply when he saw this scene.

Because in such a rush, he also saw clearly what this woman looked like, who it wasn't, it was Shangguan Shuyao, the unruly princess from Beijing.

He didn't have time to think about why Shangguan Shuyao appeared here at this time.

At the moment of the moment, Lin Ziming made a choice. He gave up chasing the foreign leader, but rushed in the direction of Shangguan Shuyao. When Shangguan Shuyao's body was about to hit the rockery, he hugged him. He went to Shangguan Shuyao and held Shangguan Shuyao tightly in his arms.

But this inertia was still too great, and now he was only ten centimeters away from the rockery, causing his back to hit the rockery heavily.

The entire rockery was hit by him and collapsed, and he couldn't help letting out a muffled grunt.
