

Chapter: 1558

Behind it seems to be injured.

Even if he has reached the realm of Dzogchen in the Innate Realm, his physique is already extremely strong, but he still hasn't reached the realm of the gods, he is still a mortal womb, so he hits hard on the rockery, and there is a sharp one. The stone hurt him immediately.

He was only unlucky in his heart. He saw that he was about to catch up with the foreign leaders and capture all the foreign leaders. However, Shangguan Shuyao suddenly appeared and broke his good deeds, which really made him depressed!

And now the posture between them is quite awkward, Shangguan Shuyao's whole body is pressed on his body, the two bodies are extremely close.

Even, what embarrassed Lin Ziming the most was that Shangguan Shuyao's lips just touched his lips, and his lips were bleeding directly.

Shangguan Shuyao's heart and liver thumped and thumped, and the whole person was stunned, and he couldn't recover for a while, obviously frightened.

Lin Ziming was in pain. Seeing her dementia, he said helplessly: "I said Miss, why are you in a daze, can you get off me first?"

"Ah? Oh, oh..." Shangguan Shuyao recovered after hearing Lin Ziming's words, but when she looked at Lin Ziming like this, she agreed, but in action, she still Being motionless, stupid, Lin Ziming was very angry.

He is still lying on the rockery now, his back is pinched into his skin by a few sharp stones. This is not a big injury to him. The problem is that this is a complete disaster.

He was not injured in the fierce fight with the foreign leader just now, but was injured by Shangguan Shuyao, a stubborn princess, and he was very depressed!

"Oh what, I asked you to get up quickly, I'm almost crushed to death by you!" Lin Ziming said with teeth and dancing claws. He seriously suspected that Shangguan Shuyao was the creditor of his previous life. He came to avenge him in this life. This time I saw Shangguan Shuyao, there must be something good, what a fuck!

Shangguan Shuyao finally recovered completely. She realized that her whole body was pressed on Lin Ziming's body, and she was still in an absolutely intimate and ambiguous posture. She immediately blushed and her breathing was full. A lot hastily.

Especially Lin Ziming was panting, the strong male hormone breath sprayed on her face, causing her body temperature to rise, and the whole person was hot.

She grew up so close, and she had never been so close to any man.

This kind of intimacy even exceeds the intimacy at the banquet last time.

As a result, her mind was a little confused, and she wanted to scold in a hurry, but in a rush, she actually scratched some sharp gravel on the ground to her feet, causing her to suffer all of a sudden, and she lost the strength to support. , With a cry, fell on Lin Ziming again.

Poor Lin Ziming just wanted to follow, but was pressed down by Shangguan Shuyao, and suddenly knocked him on the rockery behind him again, grinning in pain.

I couldn't help getting angry and cursing: "What are you doing?!"

Shangguan Shuyao realized that she was wrong, but Lin Ziming's attitude made her very unhappy, her stubborn temper regained her temper and snorted and said, "I didn't mean it, what are you yelling at me!"

Lin Ziming's good deeds were ruined by her, and he has no good feelings for her. Now he is dying of pain, and he has no good temper. "What kind of attitude is this! If it wasn't for me to save you in time, you It has long since become a pile of mud! You don't want to thank you now, and you will avenge your gratitude. Is there anyone like you!"

Shangguan Shuyao also scolded: "The bullshit will avenge revenge, did I ask you to save me? It's your own nosy!"

"You!!" Lin Ziming was so angry that she raised her head and slapped her on the ass, "Yes, I'm nosy, I should watch you hit and die! I met a woman like you , It's really bad luck for Lao Tzu's predecessors, now get out of Lao Tzu! Don't hold me down!"

However, after he slapped him, Shangguan Shuyao's eyes widened in an instant, and she looked at Lin Ziming incredulously. This man actually dared to slap her ass!
