

Chapter: 1559

For her, this is simply unforgivable!

She is the eldest daughter of a daughter, and her grandfather is Shangguan Weian. If in ancient times, she would be a relative of the emperor, and Lin Ziming, no matter how great martial arts, at best, can only be regarded as a martial artist, this is really an unforgivable offense to her!

After Lin Ziming finished the slap, he felt the amazing flexibility, and he was also taken aback for a while, realizing that it was indeed wrong for him to do so.

In any case, Shangguan Shuyao is Shangfeng's granddaughter, and the most important thing is that he is already married. Isn't this just teasing women?

“you you you.....”

In an instant, Shangguan Shuyao's face turned red, her eyes widened, and she stared at Lin Ziming in utter shame!

Lin Ziming's doing this is really too much.

But it was strange that she was only ashamed at most, and she didn't have the kind of anger she imagined.

Lin Ziming coughed twice. He also knew that it was inappropriate for him to do this. The more this time, the less he could persuade him. He glared at Shangguan Shuyao and said, “What are you doing, get up from me, my back injured.”

Shangguan Shuyao glared at Lin Ziming fiercely. Originally, she wanted to scold twice, but soon she did see it. On the ground, there were a few drops of blood, apparently falling from Lin Ziming's body. Her anger disappeared in half.

Although she is very savage and arrogant, it does not mean that she is an ungrateful person. If Lin Ziming hadn't hugged her in time just now, she would really have died away.

So she stood up from Lin Ziming silently and deliberately gave Lin Ziming a fierce look to conceal her unnaturalness and express her anger towards Lin Ziming.

Lin Ziming breathed a sigh of relief. He got up from the ground. He found that his back was all wet with blood. He couldn't help but shook his head. Thinking of his outstanding master of the great congenital realm, he was injured this time. It's because of Shangguan Shuyao.

He seriously suspected that this Shangguan Shuyao was the calamity of his previous life, who came here to collect debts from him in this life!

Shangguan Shuyao finally saw that Lin Ziming's back was full of blood, and there was a lot of Lin Ziming's blood on the rockery on the ground. It is conceivable that Lin Ziming must have been in pain just now.

At this moment, her last resentment and shame towards Lin Ziming disappeared. The reason Lin Ziming was injured was indeed because she

saved her.

“You, are you okay?” Shangguan Shuyao said, but her tone was still deliberately pretending to pull, and she didn’t want to admit that it was her own recklessness that caused Lin Ziming to suffer such a serious injury. Just silently remember this kindness in my heart.

Lin Ziming waved his hand and said angrily, “I can’t die.

After speaking, he clicked a few acupuncture points on his body, preventing his blood from continuing to flow down.

“You are so honest, how come you are here?” Lin Ziming said, looking at Shangguan Shuyao.

This time Shangguan Shuyao appeared too suddenly, and the time was so accurate. Lin Ziming was puzzled. If he didn’t know Shangguan Shuyao’s identity, he would inevitably doubt if Shangguan Shuyao was with the foreign leader. .
