

Chapter: 1560

Shangguan Shuyao snorted and said, “China is so big, I can go wherever I want, can you control it?”

Yes, it’s a question of nothing. Lin Ziming really doesn’t want to talk to such a stubborn princess. Since he can’t provoke her, he can always hide, right?

So he just turned around and left.

When Shangguan Shuyao saw his movement, she was taken aback for a moment, and then quickly stopped Lin Ziming, “Hey, where are you going!” “Go home.” Lin Ziming said without looking back.

It’s pretty dark all around now, especially after a fierce fight between Lin Ziming and the foreigner leader. Now the street lights nearby are broken. One or two of them are still on. They are also flashing and flashing. Horror, Shangguan Shuyao suddenly became scared, and she quickly said: “Hey! You stop me!”

She quickly took a few steps forward and chased Lin Ziming.

Lin Ziming frowned, turned his head helplessly, looked at her and said, “I said Miss, what do you want?”

Shangguan Shuyao particularly hates Lin Ziming’s eyes, as if she is some kind of plague god, anyway, she is also a super beautiful woman, well, her identity is even more distinguished. I don’t know how many people are rushing to kneel and lick her. Lin Zi proves that this guy has no taste at all, and treats her as a plague god, as if she carries some virus on her body, which is really hateful!

Facing Lin Ziming’s question, she was too embarrassed to say that she was scared. She wanted to follow Lin Ziming. When she saw her eyes rolled, she snorted heavily and said, “You just took advantage of me. Are you away, no door!”

After saying this, she immediately felt proud of her wit.

But Lin Ziming’s face turned black immediately. This Shangguan Shuyao really didn’t say anything about what Shangguan Shuyao was going to do. It was clear that he saved her just now, and now he dares to attack her.

“You make it clear, why I took advantage of you? I was saving you just now.” Lin Ziming frowned and said displeasably.

Shangguan Shuyao snorted and said, “Can you touch my ass if you save me? I’m the eldest daughter of Huanghua, and I have never been taken advantage of by someone like this when I grow up. You have to give me one. Confess!”

Lin Ziming waved his hand and screamed insane. He had no idea of taking advantage of Shang Guan Shuyao just now. It’s not too early now. Chu Fei was still at home waiting for him, so she turned around and left.

Shangguan Shuyao was still trembling, but now seeing Lin Ziming leaving, she immediately panicked again and said again, “You stop me!”

But why would Lin Ziming pay attention to her and continue walking.

Seeing Lin Ziming getting farther and farther, and around, there was another whirring sound, which sounded weird and gloomy, and immediately made Shangguan Shuyao get goose bumps, regardless of her usual bold performance. She is not afraid of the sky, but she is particularly afraid of ghosts and gods, and never dared to go to dark places by herself.

Now she was so anxious to cry, her arrogant character, and she was embarrassed to tell her that she was scared, so she shouted loudly: “Lin Ziming, if you dare to leave, I will tell my grandfather that you are impolite! I don’t want to be responsible for taking advantage of me!”

When Lin Ziming heard this, the corners of his mouth twitched fiercely, and his heart suddenly became annoyed. In an instant, he had a strong impulse and wanted to give Shangguan Shuyao a lesson now. .

He has never seen such a stubborn, so unreasonable princess!
