

Chapter: 1561

But he still held back, because he knew that Shangguan Shuyao's identity was special, and he would not be able to attack Shangguan Shuyao unless he made a principled error.

So he still pretended not to hear, and continued to move forward.

At this time, Shangguan Shuyao was completely panicked, especially not far away, and there was a sound of dog barking, which looked particularly terrifying. Shangguan Shuyao was frightened and shivered, even moving her feet. Can't get up, like a nail, nailed to the spot.

"Lin Ziming! You bastard! I'll really tell Grandpa if you leave again, saying that you are indecent... woo woo..."

When she said this, she was crying. She sounded terrified and aggrieved. Lin Ziming stopped at once and frowned.

He sighed heavily in his heart, he gave up, and met a woman like Shangguan Shuyao, he really fell the blood mold!

He now seriously doubted whether God saw that his strength had improved too quickly and smoothly, so he deliberately sent an official letter to temper him. No, torturing him!

He looked back and saw Shangguan Shuyao's pear blossoms with rain. He was really panicked and aggrieved. Lin Ziming couldn't walk away. If he really wanted to keep Shangguan Shuyao here, he might have this idea. What crazy things would a mad woman do.

Although he has a clear conscience, he does not have the mentality of provoking Shangguan Shuyao.

But in fact, he did touch Shangguan Shuyao's butt, and it was considered to have eaten tofu, and it was really spread to Shangfeng. Even if he was not cured, it would be bad after all.

For rational consideration, he still had to appease Shangguan Shuyao.

So he walked over and said to Shangguan Shuyao: "I said Miss, what do you want?"

Shangguan Shuyao saw Lin Ziming coming, her original panic and grievances, she immediately recovered. The existence of Lin Ziming made her feel safe, and she hurried forward a few steps and approached Lin Ziming.

But at exactly this moment, she stepped on something soft under her feet, which shocked her, completely reflexively, she threw herself directly into Lin Ziming's arms and hugged Lin Ziming tightly, "There is a snake, There are snakes!"

Lin Ziming: "....."

He was also a little dumbfounded all of a sudden, Shangguan Shuyao, the girl, hadn't she been decimating him just now, saying that he had been taken advantage of? Why is it now coming to him again, what's the situation?

However, what Lin Ziming felt for the first time was Shangguan Shuyao's soft body, which was stuck on his body in such a zero distance, allowing his male instinct to be brought into full play, and his heartbeat could not help but speed up a lot!

This Shangguan Shuyao's body is really not built up, he is indeed a person who has practiced martial arts, and his development is particularly good.

Cough cough, pull it far, pull it far!

Lin Ziming scowled and wanted to push Shangguan Shuyao away, but Shangguan Shuyao hugged him tightly, like an octopus, making him unable to push away for a while, and the scene was very embarrassing.

"Hey, what are you doing, let me go quickly! Who is taking advantage of whom!" Lin Ziming said loudly.

Shangguan Shuyao still looked panicked, and said quickly: "Snake, there is a snake!"

Lin Ziming looked over and rolled his eyes. This is a fart snake, it's just a twine rope, "What is your look, it's not a snake, it's twine."

"You lied to me, I stepped on it just now!" Shangguan Shuyao's body was trembling slightly, and Lin Ziming was embarrassed. She was trembling like this, but Lin Ziming was uncomfortable.

Fortunately, he controls his body very well, otherwise, if he feels Shangguan Shuyao, it would be indecent.
