

Chapter: 1562

When Shangguan Shuyao found out, she would jump into the Yellow River even more.

“If you don’t believe me, look back for yourself.” Lin Ziming said helplessly, he really convinced Shangguan Shuyao.

When Shangguan Shuyao heard this, she calmed down slowly, and then dared to look back. Sure enough, it was not a snake lying on the ground, but a long twine rope.

She breathed a sigh of relief immediately, and her tone just sprayed on Lin Ziming’s face. The fragrant fragrance made Lin Ziming’s heart irritate.

“Okay, okay, let me go quickly, so that you don’t have to wait a while and say that I take advantage of you!” Lin Ziming said with a stern face and disgust.

Shangguan Shuyao is holding Lin Ziming now. She was originally a heart settled down and feels safe, but now she sees Lin Ziming like this, she suddenly feels upset again, snorted, and said: “Hey , What’s your expression, do you hate me so much!”

Lin Ziming sneered, “It seems that you are very self-aware of yourself.” hateful!

Shangguan Shuyao gritted her teeth with anger, and her rebellious character came up. Since Lin Ziming disliked her like this, she wanted to get close to Lin Ziming!

Ever since, under her impulse, she also made an impulsive action!

Seeing that she hadn’t passed through the brain at all, reflexively, she folded her feet and kissed Lin Ziming’s mouth.

In fact, her speed is not very fast, according to Lin Ziming’s reaction, she can completely avoid it.

But the worst part is that Lin Ziming was not attentive at all. He was still in a daze, and he had never thought that Shangguan Shuyao would be savage to this extent, so he did not react to it, so he was caught by Shangguan Shuyao. Dear...

For a moment, his whole person was dumbfounded, completely dumbfounded, and the whole person was stupid.

Even Shangguan Shuyao realized something was wrong at this moment. What happened to her, why would she take the initiative to kiss Lin Ziming? So their current posture is particularly weird. The two of them are mouth to mouth, their eyes widened, and they look at each other with completely shocked and bewildered eyes.

It took a full three seconds before Lin Ziming recovered. He quickly pushed Shangguan Shuyao away and wiped his mouth desperately, as if he had been kissed by a pig.

Shangguan Shuyao was also very shy at first, you know, that was her first

kiss. I don't know how many young talents in the circle want to have a chance to kiss Fangze, but now it is actually sent out in this state. If you change any man, you will be so happy, how can someone wipe his mouth like Lin Ziming and spit!

At the moment, the corner of her mouth twitched fiercely. This damn Lin Ziming must be a gay!

But she immediately remembered that she had a wife, and her mood was even worse.

There is an urge to cry.

“Die Lin Ziming, do you feel wronged by kissing me!” Shangguan Shuyao almost said this sentence from between his teeth.

Lin Ziming looked disgusted, “Yes, I would rather be kissed by a pig.”

“You!!” Shangguan Shuyao was even more mad.
