

## Chapter: 1563

Shangguan Shuyao really wants to bite Lin Ziming to death with one bite now, this guy is really disgusting!

She had never seen a man worse than Lin Ziming, making her look like a dinosaur.

She kept cursing in her heart, Lin Ziming must be blind, with a problem with his aesthetic ability.

Lin Ziming saw that Shangguan Shuyao was very annoyed now, he was quite proud of it, and finally took revenge.

“Well, I’m not going to fuck with you, I’m going home.” Lin Ziming frowned and said solemnly.

Shangguan Shuyao glared at Lin Ziming fiercely. If his eyes could kill people, then Lin Ziming would not know how many times he was killed by Shangguan Shuyao now.

She said: “You must apologize to me!”

Lin Ziming gave her a white look and said, “Why should I apologize?”

“Because you just said that I am not as good as a pig, you still showed such a disgusting expression, you insulted me, you must apologize!” Shangguan Shuyao snorted and said seriously.

Lin Ziming almost laughed, Shangguan Shuyao, this girl, is really whimsical, it is impossible to want him to apologize, and he can also see that Shangguan Shuyao cares about this, so he deliberately said: “I Refusal to apologize. What I said just now is the truth. Nothing. Once I say it, I still feel nauseated.

He also made nausea as he spoke.

His action angered Shangguan Shuyao again, stomped his feet severely, causing a turbulent wave, “Lin Ziming, you bastard!”

Lin Ziming sneered, and accepted as soon as he saw it. He didn’t want to have any intersection with a stubborn princess like Shangguan Shuyao. Now that he was out of anger, he didn’t continue to tease, but said, “Okay. , I’m not joking with you. It’s getting late. I should go home. You are a girl. Don’t go shopping outside. Hurry up and call your bodyguard. Come and pick you up.”

In any case, Shangguan Shuyao is Shangfeng’s granddaughter, and she has a noble status, so he naturally has to pay attention to Shangguan Shuyao’s safety.

Shangguan Shuyao said: “You are not allowed to go home. You just took advantage of me and took away my first kiss from this young lady. You must be responsible to me!”

Lin Ziming’s eyes widened, and she was immediately pissed off by her, and said, “Hey, can you tell the truth? Just now you obviously kissed me. I didn’t even care about you. Did you rely on me first? !”

“I don’t care, anyway, if you bullied me, you have to be responsible to me,

otherwise I will tell my grandpa and let my grandpa punish you!” Shangguan Shuyao said with her arms folded, her face proud.

She felt that her move was eating Lin Ziming to death, and she was triumphant, but she could not see that Lin Ziming’s face became gloomy and full of impatience.

Lin Ziming is indeed impatient with Shangguan Shuyao. This stubborn eldest lady is completely out of order. Do you really think he is afraid of her?

Lin Ziming snorted and said directly: “Tell your grandfather, I won’t wait.”

After Lin Ziming turned around and left, Shangguan Shuyao was stunned. She didn’t think that Lin Ziming would dare to go, and stomped her feet and said: “Hey, smelly Lin Ziming, if you go again, I will really tell My grandpa! I’m not kidding!”

Lin Ziming didn’t listen to her directly this time. She didn’t stop for a while. After a while, she had already left a long way. Shangguan Shuyao realized that Lin Ziming had come for real this time, and she panicked all of a sudden. Hurriedly shouted: “Hey! I mean, you come back, come back to me!”
