

Chapter: 1577

Suddenly, people on the Chinese side frowned slightly, and then Peng Zhuo stood up and said, “Mr. Zhongjing, are you talking about our instructor Lin? Sorry, he has something to do today, and he didn’t come over.”

Indeed, Lin Ziming is still in retreat. He didn’t show up at today’s opening ceremony because he was not needed. On this occasion, the military god and his old man had already arrived in Hwaseong. In the secret town, he didn’t need him Shang Lin Ziming’s.

He also supports Lin Ziming’s approach, because he knows that the importance of this Kung Fu Cup is still held in China, and it must still try to keep the championship trophy in China!

Glory is one aspect. It is mainly the qualification to go to the secret realm. It is too rare. Once Lin Ziming goes to the secret realm, it means that Lin Ziming has the opportunity to break through to the god-passing realm.

God-passing realm, what concept is this? If Lin Ziming can really break through to the realm of God-passing, then there will be three masters of God-passing realm in China! Moreover, Lin Ziming is still so young, and he is his own, and the benefits brought by him are unimaginably huge!

Although this process is full of difficulties and dangers, which high-yield thing in the world is not accompanied by high risks?

Moreover, he himself believes in Lin Ziming very much, and believes that with Lin Ziming’s strength, he can definitely turn the danger into a waste.

When Junichiro Nakake heard what he said, he immediately laughed, “Hahaha, something is coming? I think I am afraid of us, so I dare not show up!”

He deliberately said this sentence loudly, and it spread to everyone’s ears at once, casting the eyes of almost everyone in the room.

There are also many masters of Dzogchen in the Innate Realm who have also begun to walk over, with joking expressions on their faces.

They came to participate in the opening ceremony this time. One of their purposes was to see Lin Ziming, who was the Chinese man who could defeat Johnson and fled in despair!

Because apart from Lin Ziming, they are all familiar with each other, only Lin Ziming is an unknown opponent.

This time the Kung Fu Cup is too important. Any one of them is bound to win the championship, and absolutely does not allow the championship to fall into the hands of the Chinese!

In China itself, there are already two masters of the gods. If there is another one, then the strength of China will definitely increase significantly. It is very likely that it will become the world’s largest power in a short period of time. They will absolutely not allow this. This happened!

Peng Zhuo frowned slightly and said, “Mr. Zhongjing, you are a 5s-level

powerhouse. The favorite to win this time, I must have inquired about Instructor Lin. If you know the strength of Instructor Lin, why bother to ask?”

Peng Zhuo said very politely, on the one hand, he wanted to show the atmosphere of China, and on the other hand, Junichiro Zhongjing was also a super master, he did not dare to offend him easily.

However, his courtesy, in the eyes of Zhongjing Junichiro and others, turned into a weak performance. At the moment Zhongjing Junichiro laughed and said: “How long has it been for you Huaguo, there have been no masters in the past few years. In the Kung Fu Cup, you Hua Guo can’t even get into the semifinals. Do I need to ask you? I heard that you, Chinese, actually defeated Johnson. I want to see what insidious tricks he used.”

When he said this, he didn’t have any consideration of Hua Guo.

You know, this is still on the territory of China, and Peng Zhuo himself is still the chief of Xuanyuan Three.

At the moment, Peng Zhuode’s complexion was not good, not only him, but also the three Xuanyuan agents behind him also looked ugly.

At this time General Qin came over and said, “Zhongjing Junichiro, I didn’t think that you, as the number one powerhouse in the Sun Nation, are so high-quality. Come over and talk, you really have sex. You said so much, But you are afraid of Instructor Lin. You are afraid of our Hua Guo winning this championship. You have a guilty conscience.”
