

## Chapter: 1578

General Qin hit the nail on the head. Although he was only a literary general, his IQ was particularly superb. In addition, he had been in a high position for a long time, and his abilities were beyond the reach of ordinary people.

After Junichiro Zhongjing finished listening, his face suddenly changed, and some unnatural flashes passed.

He was indeed right by General Qin. He came here this time, and he was a little bit frustrated.

Of course, it is impossible for him to admit this kind of thing, and he snorted heavily, and said, "Guilty conscience? What a big joke! I, Junichiro Zhongjing, the number of people who have killed China is innumerable. You, China, except for the military god. Besides, there is no one who can tell, will I have a guilty conscience?"

"you!!"

He said these words too arrogantly and excessively, and he said it on this occasion. In front of so many Chinese people, he immediately angered all the Chinese people, including General Qin.

If he has this ability, don't hesitate to slap Junichiro Junichiro to death with a slap!

Peng Zhuo, Zhao Xia and others glared straight at each other, even Li Dao, all gritted their teeth.

They suddenly regretted that they didn't even call Lin Ziming. If Lin Ziming was there, Zhongjing Junichiro would definitely not dare to be so arrogant!

Although there is a place in the town of Military God, in this situation, it is impossible for the elderly of the military God to come forward. Just like a child quarreling, if the parents also take action, it seems too demeaned.

So they can only suffer this loss.

Zhao Xia said fiercely: "Zhongjing Junichiro, you don't have to be silly! Our instructor Lin went to retreat. When instructor Lin comes out, he can hang you with one hand!"

Zhongjing Junichiro immediately stared at him. Suddenly, Zhao Xia's whole body was shocked, and his face turned white. He was speechless, and saw Zhongjing Junichiro hum disdainfully: "Things like ants, dare to be there. Presumptuous in front of this seat."

Zhao Xia was extremely annoyed, but he could only endure it, because he was far from Zhongjing Junichiro's opponent, and if he shot, it would be him.

Now he really missed Lin Ziming so much, if Lin Ziming was here, that would be great.

He wasn't the only one who thought this way, almost everyone started to miss Lin Ziming.

Only a master like Lin Ziming can control Zhongjing Junichiro and control

violence with violence.

Not long after, several other masters of Innate Realm Dzogchen also came over to taunt a few times, and they all wanted to come to see Lin Ziming this time. Not seeing Lin Ziming, I felt a little disappointed, but immediately they relaxed, and their fear of Lin Ziming was much smaller.

On such an important occasion, Lin Ziming did not show up, indicating that Lin Ziming had a guilty conscience and was afraid of them, otherwise how could he hide?

After all, it's just a greedy person who is afraid of death.

Such people are not worthy of being their opponents.
