

Chapter: 1582

“Ah? No.” An Qi shook her head and said, there was some blush on her face, a little guilty of being caught for doing bad things, and their reaction made the two young people even more upset.

You know, they are the goddesses that two young people have been pursuing for a long time, and they can succeed by seeing them. Now they suddenly killed a strange man who was still ambiguous with them, and the two young people were immediately upset.

“Don’t you know? Then why do you keep looking at him.” Another young man said.

Now An Qi and Mengxue are even more guilty, and at the same time they also feel incredible, are they really peeping at that guy all the time? But how is it possible, I don’t even know that guy, and that guy is not handsome at all! “No, don’t talk nonsense.” Mengxue said.

The atmosphere was a little silent. Originally, they were here for a date. It should be a pleasure to get things right, but now, all four of them are absent-minded.

At this moment, Lin Ziming, who had been motionless, suddenly opened his eyes and looked towards them.

And An Qi and Mengxue met his eyes, and immediately stunned them both, their brains exploded, and their heartbeat speeded up inexplicably!

Because the look in Lin Ziming’s eyes was too deep, like a starry sky, able to draw their eyes in!

Their heartbeats have accelerated a lot, their beautiful faces flushed all at once, and their whole people are in a very shy state.

Lin Ziming just opened his eyes for two seconds, then closed them again, and continued to close his eyes to calm his mind.

Of course he didn’t look at these two women just now, but he sensed the aura of a master of innate realm and passed by outside the cafe.

Moreover, he is also a master of the second stage of Innate Realm, a foreigner.

However, Lin Ziming did not find Lin Ziming, and Lin Ziming felt the pressure. If he changes to another person and encounters this situation, he will definitely not continue to meditate. But this person is Lin Ziming, the more he is like this, the more he must retreat!

He felt that he was getting closer and closer to the threshold of the realm of communication, and his body secreted a lot of hormones, feeding back his body, constantly forging and nurturing.

Tomorrow is the official start date of the Kung Fu Cup, and he has to improve his strength.

So he quickly re-entered the state.

“Wow, he looked at me just now! I’m so excited! Moreover, his eyes are so

deep, I can't stand it when he looks at me, my heart is about to jump out!"

"Nonsense, he was looking at me just now! His eyes are like talking, so cool. I have never seen such a special man before, and I feel like I'm going to fall... But, didn't I have seen him for less than two hours?"

An Qi and Mengxue looked ashamed of a young girl, completely ignoring that the two suitors were here, and they discussed with Lin Ziming and expressed their love. This made the two young people feel like they were all green now. He snorted heavily.

One of the young people said, "It seems that you know this guy. We will greet him in the past."

"Yeah, go say hello!!"

An Qi and Mengxue were a little moved, and then asked nervously, "Will this disturb him?"

"Haha, what's to interrupt, let's go over!"

After speaking, the two young men strode towards Lin Ziming, and the corners of their mouths rose, showing a sneer. They had long seen Lin Ziming displeased, and they actually dared to ruin their bad things. See how they rectify Lin Ziming and it's over!

After they walked over, one of the young men slapped Lin Ziming's shoulder hard and deliberately said in a familiar tone: "Hey, brother..."

However, before he had finished speaking, he flew upside down and hit the table and chairs behind him hard.
