

Chapter: 1610

“This is impossible!”

“Liu Mei, you must be bragging, deliberately lie to us!”

“That is, how could Shangguan fall in love so early? This is simply impossible!”

“@柳眉, who is that true emperor?”

“Whoever it is is my enemy.”

“@秦龙……”

Suddenly, there were more than one hundred pieces of information in the group.

This group, which had been silent for a long time, is now becoming active again.

There were also many people @上官书瑶, but Shangguan Shuyao did not appear from beginning to end, and those who chatted with her privately did not reply.

As a result, this message does not look true. Many people speculate that Liu Mei made a deliberate joke.

After all, Shangguan Shuyao is the goddess in their circle, regardless of appearance, ability, or background.

The most important thing is that Shangguan Shuyao’s vision is very high. After so many years, so many men in the circle pursue her, she has never been tempted. Now suddenly they say that someone has pursued her, and their first reaction feels false.

It was not long before Liu Mei posted another photo, which instantly caused the group to explode.

This time the bombing of information is much more powerful than just now! Because what Liu Mei sent was Shangguan Shuyao Xiaoniao leaning on a man quietly. That way, it was clearly a lover’s relationship.

Although the shot is from the side, the light is not particularly bright, but you can still recognize it at a glance. This is Shangguan Shuyao.

As for that man, none of them had seen it before, not someone in their circle.

“Damn! The goddess was really chased away! No, this can’t be true, I heard my heartbreaking voice!!”

“Who is this man? Why haven’t I seen it before? He is in the circle? @All.”

“No, this man doesn’t look handsome, he looks so ordinary, he doesn’t even look as handsome as me, how can he be able to pursue Shangguan.”

“This is fake, isn’t it ps?”

At first, some people suspected that it was ps. After all, in this society, ps technology is already very mature, and people who are not professionals can’t tell if it is true.

But soon, some professional people denied this, saying that this is a real

photo.

In this way, they had to believe that Shangguan Shuyao had really been pursued by others, and that this man was not yet in their circle.

This message was a huge blow to all men in the circle.

Especially those who are unmarried, are more or less affectionate to Shangguan Shuyao and regard Shangguan Shuyao as a goddess, and now this goddess is being pursued by other men, which is not acceptable to them.

So they quickly began to use their energy to search for Lin Ziming's information based on the appearance of Lin Ziming in the photo.

Slowly, the people who had seen Lin Ziming also began to speak. After confirming this message, Shangguan Shuyao was really chased away.

Moreover, this man was particularly arrogant, still beating Qin Long at the party.

This message is undoubtedly another huge bomb.

At this moment, Qin Long, who had been diving, finally sent the first piece of information...
