

## Chapter: 1613

finally reached.

Lin Ziming breathed a sigh of relief, and could get rid of the annoying girl Shangguan Shuyao.

Soon, Lin Ziming saw Shangguan's stalwart, and several other great men with extraordinary temperament and high positions.

Among them was a middle-aged man with a national character face, and he carried a purple aura. His face was similar to Shangguan Wei An's points. Obviously, this middle-aged man was Shangguan Shuyao's father.

"Grandpa, Dad, Mom, I'm back."

Shangguan Shuyao walked over and greeted with a smile.

"You girl, you have been crazy outside for so long, do you still know how to come back?" There was a graceful woman who gave Shangguan Shuyao a glance, her eyes were full of doting, and said with some helplessness and humiliation.

Needless to say, this woman is Shangguan Shuyao's mother.

After Lin Ziming got off the helicopter, he also began to greet Shangguan Wei'an and the others.

He stood straight and had a firm expression. Although he had never been a soldier, the iron and blood that he revealed was no more than a soldier.

When he arrived in the courtyard of Shangguan's house, Lin Ziming immediately felt that there was a strong sense of extravagance.

For a moment, Lin Ziming felt as if he had arrived at the palace, with all the honorable relatives of the imperial family in front of him.

This kind of noble breath is something ordinary people don't have. It's not a person of that status. No matter how rich or high in martial arts, it is impossible to have this kind of breath. This is a true king's breath.

Especially Shangguan Shuyao's father was even more noble and faint. Lin Ziming also felt a dragon aura.

Lin Ziming has never seen this kind of aura among people he knew before. Including Shangguan Wei'an, there is no such aura.

Lin Ziming saw Shangguan Shuyao's father on TV. He knew that it was not easy for him to be called Shangguan and his position was not low, but he still hadn't reached the final stage.

However, looking at the current situation, it is only a matter of time before he gets to the final step.

It's no wonder that Shangguan Shuyao's status is so noble, and in Yandu's circle, it is a first-class existence.

In ancient times, Shangguan Shuyao would be the princess of the future.

When Lin Ziming was looking at Shangguan not easy, Shangguan Buyi was also looking at Lin Ziming, with a faint smile on his face, and a little appreciation for Lin Ziming. Obviously he also knew Lin Ziming.

“It seems that this is Instructor Lin. As expected, the hero was born as a teenager.” Shangguan Buyi smiled on his face and proactively stretched out his hand to shake hands with Lin Ziming. What he said was also particularly calm and powerful. Lin Ziming even felt flattered!

At that moment, there was such a panic in his heart, he hurried forward, and it was not easy to shake hands with Shangguan.

However, he quickly wiped out his cramps and restored his calmness, neither humble nor arrogant, with a smile on his face, and said, “The sir is too good.”

Lin Ziming discovered that Shangguan is not easy to be an ordinary person, and he does not have any martial arts foundation, but the aura in him is not lighter than that of a master of Innate Realm Dzogchen!

At that moment, Lin Ziming even felt the pressure, which shows how powerful the aura of Shangguan is not easy.
