

Chapter: 1614

Shangguan is not easy to give people a very peaceful feeling, and immediately he said: "Thank you, Instructor Lin, for bringing the little girl back. During this time, the little girl has brought trouble to Instructor Lin." How did Lin Ziming feel so obedient when he heard these words, as if there was something unspeakable secret between him and Shangguan Shuyao. But speaking of it, it seems that he and Shangguan Shuyao are really ambiguous.

Of course, it is impossible for Lin Ziming to show it in front of Shangguan, he said generously: "This is what his subordinates should do."

But as soon as he finished speaking, Shangguan Shuyao said, "Dad, why are you thanking him? You don't know how he bullied me in Huacheng."

When these words were said, the atmosphere of the room was a little different right away, and everyone looked at Lin Ziming with some weirdness in their eyes.

The corners of Lin Ziming's mouth twitched twice, subconsciously trying to explain, but he didn't have an explanation, but kept smiling. Only this performance is the best response, the most open, otherwise no matter what he says, it will be not appropriate.

After all, Shangguan Shuyao's identity is extraordinary.

However, Shangguan's family can agree to Shangguan Shuyao running to Huacheng alone, and his heart is big enough.

Sure enough, Shangguan Shuyao's mother immediately glared at Shangguan Shuyao, and said angrily: "You girl, what are you talking nonsense, how can Instructor Lin bully you."

Shangguan Shuyao wanted to say something, but soon, she saw Lin Ziming's deep eyes. Although there was no threat, she didn't know why. She saw Lin Ziming's eyes and became frightened inexplicably. Dare to go any more wayward.

Because she has an intuition that if she cheats Lin Ziming at this time, then Lin Ziming will really be angry with him and ignore her for the rest of her life.

Unexpectedly, her reaction happened to be seen by Shangguan Diyi, which led to the intriguing color in Shangguan Diyi's eyes.

Lin Ziming can't take care of that much, anyway, he has already sent Shangguan Shuyao back, and his task is considered complete.

After that, Lin Ziming stayed and had a meal at the invitation from Shangguan.

Originally, as Lin Ziming, he could not stay overnight at Shangguan's house. But after dinner, Lin Ziming saw that Shangguan Wei'an and Shangguan were not easy, so he didn't even talk to him about the Kung Fu Cup. He saw that it was too early, so he planned to go out to Yandu by himself and find a

hotel to stay.

At this time, Shangguan Buyi directly invited him to stay at home for the night.

Lin Ziming refused, but the Shangguan was not easy to insist, and he couldn't be hypocritical, so he simply stayed overnight.

He himself didn't think so much. After all, it was late now, and Shangguan's house was very large and had many rooms. He stayed here for one night and it didn't affect much.

However, in the eyes of others, this property is different!

You know, Shangguan's family is not an ordinary family. How many people want to go to Shangguan's house is a difficult task. Other than that, the second generation ancestors in Yandu circle, also few have visited Shangguan's house, let alone stayed overnight!

And now Lin Ziming not only visited Shangguan's house, but it was not easy for Shangguan to stay overnight. This was not an ordinary incident.

So that night, when the incident spread, the group exploded even more!

In particular, Shangguan Shuyao also specially posted a circle of friends, accompanied by a photo, which is the back of Lin Ziming eating at home, and the content is: taking him home for the first time, nervous...
