

## Chapter: 1615

Fortunately, Lin Ziming didn't have Guan Shuyao's WeChat account, otherwise he would be very angry when he saw this circle of friends.

Although he is not afraid of the second generation ancestors in Shangguan Shuyao's circle, he does not want to endure this kind of innocent disaster.

Besides, he still has a husband. If Chu Fei knows about it, Chu Fei and Tao Sanniang know that they miss him? He would definitely think he was a scumbag.

At this moment, Lin Ziming found that Shangguan Shuyao looked over, with some cunning, as if some conspiracy had succeeded.

It gave him a slightly unpredictable hunch, but he didn't think so much, anyway, he had already brought Shangguan Shuyao back, and then Shangguan Shuyao had nothing to do with him. And he estimated that after a while, Shangfeng should propose to him to participate in the Kung Fu Cup and win the Kung Fu Cup back for China.

It took less than a minute after Shangguan Shuyao finished posting to her circle of friends. There were a lot of likes and comments on her circle of friends.

Everyone asked her who this person was. Even if they knew that this person was Lin Ziming, they couldn't help but ask curiously, all men felt quite uncomfortable in their hearts. For them, Shangguan Shuyao was an absolute goddess. What. If they marry Shangguan Shuyao, then their entire family will be glorious. The value brought by this is not just Shangguan Shuyao!

Shangguan Shuyao did not respond to these comments. She continued to remain mysterious and found it very interesting.

Just then, her mother, Xiao Lan, also saw this circle of friends, and immediately went to ask her: "Hey, girl! What is your situation?"

Shangguan Shuyao pretended not to know, and asked, "What's the situation?"

Xiao Lan squeezed her and said, "Don't pretend to be crazy and be stupid. What is the situation that your friends posted just now? Are you going to get along with Instructor Lin?"

"What is it? How ugly?" Shangguan Shuyao sighed, neither affirmative nor negative. As her mother, Xiao Lan immediately noticed something was wrong and said solemnly: "Girl, you are honest. I said, do you really like instructor Shang Lin? It is said that he has a family!"

Some sadness and sadness flashed in Shangguan Shuyao's eyes, but she was soon covered up by her. She said, "What's the matter? I'm just posting to a circle of friends, and I don't have anything to say."

Xiao Lan still said solemnly: "Girl, I don't care what you are thinking, but Mom tells you, you must not have any abnormal relationship with Instructor Lin. He has a family, and your father is absolutely It's impossible to agree,

you know!”

Shangguan Shuyao immediately became impatient and said, “Oh, oh, I’m so annoying, I just post a circle of friends, why are you telling me so much? I can delete the circle of friends now!”

As she said, she was about to delete the circle of friends, Xiao Lan said, “Hey, you girl, what kind of attitude is it? Did you talk to mom like this? Alright, no more pouting, mom won’t talk about you anymore. , OK. But you must know in your heart, don’t get too close to Instructor Lin, you know, it’s not good for you.”

Shangguan Shuyao nodded and continued impatiently: “I know, I know, you go out, I’m going to sleep.”

Xiao Lan sighed, she had no choice but to leave Shangguan Shuyao’s room. After she left, Shangguan Shuyao came out of the quilt and was in a daze. After a while, she deleted the circle of friends, and then threw the phone aside irritably.
