

## Chapter: 1633

When they heard Lin Ziming's words, their bodies were violently shaken, and they had already heard the murderous aura in Lin Ziming's tone!

They had a strong hunch that once that person was known, Lin Ziming might really kill someone!

Killing is a completely unfamiliar word to them. Don't look at them being so arrogant, walking sideways at the feet of Emperor Yandu, but they really didn't kill anyone.

Moreover, this time it is about to be killed, so the nature is even more different.

At this moment, they really felt the unprecedented regret and fear!

"Why, you don't want to betray your companions? Since you talk about loyalty like this, then I will simply fulfill you." Lin Ziming's devilish voice sounded from their ears again, causing them to get goose bumps in fear.

Lin Ziming didn't have the time to give them a reaction, so he caught a very tall young man with a stature of 1.9 meters in front of him.

It can be seen that this young man is not very old, only in his early twenties. This may be the reason why he often plays basketball. The physical fitness is quite good among ordinary people, and he looks more sunny and handsome. Such a small fresh meat is outside. It must be very popular, and there are several girlfriends.

But now, in front of Lin Ziming, he was already scared to be out of shape, his face was pale, and his teeth were fighting, unable to say a complete sentence, crying and begging for mercy: "Brother, please let me go. Pass me, I really didn't propose to threaten you...ooooo..."

He burst into tears. If his girlfriends saw it, he would be shocked and unbelievable, because in their impression, he was a man who was not afraid of fear, and was very masculine.

Lin Ziming grabbed his neck and lifted him halfway, only to allow his toes to touch the ground, and said lightly: "Tell me who it is."

"I said, I said!" Under Lin Ziming's powerful pressure, how could he hold on to it? He immediately turned back, pointed at the two men on the other side, and said, "It's them! It's none of my business!"

The two men, who were identified, trembled fiercely at the moment, their faces turned pale, and large drops of cold sweat flowed down from their foreheads.

They wanted to run subconsciously, but they soon discovered that they couldn't run at all, and their legs seemed to be rooted on the ground!

In particular, Lin Ziming's gaze completely locked on them, like the life-saving eyes of the god of death.

Lin Ziming showed a playful smile, "It turned out to be you, very good, very good."

They felt Lin Ziming's surging murderous intent, and how could they stand up. They were already so scared that they were dispelled. They thumped on their knees, kowtowing quickly, begging for mercy, longing that Lin Ziming could let them go horse.

But will Lin Ziming let them go? The answer is obviously no.

When Lin Ziming heard that these princelings threatened him with his family members, he had already made up his mind. He must let these princelings feel his anger!

At the same time, he also killed the chicken and the monkey, let the people in Yandu know that Lin Ziming was not easy to provoke!

Lin Ziming quickly walked in front of them, "You know, the most annoying thing in my life is that someone threatens me with my family. You successfully aroused my resentment, and you are good."

Hearing Lin Ziming's words, he was so frightened that his courage was torn apart, his forehead was so bloody that he didn't dare to stop, only begging Lin Ziming to let them go.

Lin Ziming kicked his feet directly and kicked them on their shoulders, only to hear two bangs, their shoulders were instantly kicked off by Lin Ziming, and the whole person flew upside down like a ball. , And at the same time made a screaming scream.

This scream sounded too scary, and it made the rest of the people present to chill. When they looked at Lin Ziming, they were even more scared and regretful. Why did they provoke such a devil!
