

Chapter: 1645

Isn't it?

Innate Realm Great Perfection!

With Liu Xu's current realm, he couldn't imagine what kind of realm the innate realm of Dzogchen was like. He has only reached the second stage of the Innate Realm. He can already walk sideways in Hwaseong, defeating many well-known masters and winning the first place in Hwaseong.

The most important thing is that he is still very young now, he is only in his early thirties, he has this strength, but it is very scary!

But even so, he didn't dare to think about the Dzogchen in the Innate Realm, because it was too far away for him.

In his plan, he strives to reach the third stage of the Innate Realm before he is thirty-five years old, and he can already stand out from the crowd!

As for the congenital realm of Dzogchen, he can reach it at the age of forty-five, that is, a genius among geniuses, and he can almost walk sideways in China!

And this is still in an ideal state, because when he stepped into the Innate Realm, he realized how difficult it is to advance to the next level.

But the Lin Ziming in front of him is actually in the Great Perfection of Innate Realm?

The point is, Lin Ziming seems to be not much older than him, no, it even seems to be younger than him.

At this moment, he was really hit hard, and he began to doubt his life.

Suddenly, all his pride, so proud, was defeated at this moment, the whole person became extremely decadent, and he laughed miserably, and said to himself: "The Innate Realm Great Perfection... There are people outside the world, but I have always thought that I am a genius. It turns out that I am just an ordinary person in front of a real genius."

Suddenly thinking of something, he raised his head again, looked at Lin Ziming closely, and asked: "Can you tell me how old are you this year?"

Lin Ziming said truthfully: "Almost twenty-nine years old."

Hearing this, Liu Xu shook his body violently, lowered his head and cried.

His appearance made Lin Ziming feel very embarrassed, and he actually cried such a proud genius.

However, in this situation, he didn't know what to say, so he could only sighed and said, "You don't need to be like this. In fact, you are already very talented. After all, everyone's understanding is different."

When these words were said, Liu Xu cried even harder, which made Lin Ziming very embarrassed.

The others were also in awe now, and looked at Lin Ziming with admiration. Now they completely believed that Lin Ziming was completely capable of winning the championship!

Moreover, such a powerful character is a great god, and they can't catch up with flattering in their entire life.

Yang Guiying is the happiest person. She is smiling from ear to ear now, her expression is clearly saying, Lin Ziming is awesome, my master.

As for Ouyang Yanran, she also looked at him deeply and made no secret of her admiration for him.

Those young people who originally looked down upon him are now too excited, as if they saw an idol, nervously took out a pen and asked Lin Ziming to sign.

There were two young and beautiful girls who were still blushing and asked Lin Ziming to sign on their chests.

Lin Ziming showed a black line right now. He is a young man now, and he is too open-minded. He is an old antique, a little bit too much.

He quickly refused, then greeted Yang Guiying and Ouyang Yanran, and left here immediately.

He was relieved when he returned to the Kung Fu Cup scene. The enthusiasm of those young people just now made him a little bit overwhelmed.

Especially Ouyang Yanran's affectionate and silent eyes made him a little bit goosebumps. He has enough love debts on his body now. If one more Ouyang Yanran is added, then he will really become a stallion.
