

Chapter: 1684

Looking back, I saw Shangguan Shuyao widening her eyes and looking straight at this place, her ears pricked up, she was obviously eavesdropping. Seeing his gaze, he immediately turned his head to the side and looked at the scenery pretendingly.

Lin Ziming snorted angrily, and walked over and said, "My wife called me and urged me to go home. I won't accompany you. Then you plan on your own."

However, Shangguan Shuyao sneered disdainfully and said, "You want to lie to me, your wife has obviously gone with your girlfriend, not at home."

Shangguan Shuyao looked at Lin Ziming's expression, full of contempt, obviously despising Lin Ziming's poor acting skills.

Lin Ziming rolled his eyes and said, "I'm going home anyway, where do you like to go?"

After speaking, he turned and left.

Shangguan Shuyao chased after him, and stood shoulder to shoulder with him.

Lin Ziming frowned immediately and said displeasely, "What are you doing?"

Shangguan Shuyao stared at him and said, "Who is Sister Tao?"

Her eyes were full of scrutiny.

Of course Lin Ziming wouldn't tell her, and said directly, "It's up to you."

Shangguan Shuyao pointed at him with a serious look, "Is it your mistress outside! Good, Lin Ziming, look at your usual good looks, and you don't think you are such a person. Are you worthy of your wife?!"

Lin Ziming was a little frustrated by what she said, and avoided her gaze, but it was too difficult to refute, so he said something insane, and then continued walking.

Shangguan Shuyao was not sure at first, but seeing Lin Ziming's appearance, as a woman's intuition, she immediately confirmed that that sister Tao and Lin Ziming had an ulterior secret, most likely Lin Ziming was outside. Face lover!

She was very angry. How could Lin Ziming do this? She was already married, scumbag!

"Scumbag!" She said out loud, her eyes full of contempt and anger when she looked at Lin Ziming.

Lin Ziming frowned again. Originally, he was very impatient with Shangguan Shuyao, but now he still says that he is a scumbag.

Others said he was a scumbag, and he recognized him, but Shangguan Shuyao, what qualifications do he have to say that he is a scumbag?

Right now he blurted out, "You feel your conscience for a moment, are you qualified to say that I am a scumbag?"

Shangguan Shuyao said angrily: “Why do I have no right to say that you are a scumbag? Am I wrong? You are obviously married and you are still hooking up outside!”

Lin Ziming was also emotional, and blurted out: “Where are you better than me? You know that I am married, and you still pester me over and over again. You kissed me just now. I’m a scumbag, so what are you?”

When these words were said, Shangguan Shuyao’s expression suddenly became sluggish.

And after Lin Ziming finished speaking, he also regretted a little...
