This was embarrassing, and I pierced through the film between them.

Although they all knew the ambiguous relationship between them, there was still a layer of membrane separating them, and now, this layer of membrane was also pierced by Lin Ziming, and immediately let Shangguan Shuyao Red face!

Shangguan Shuyao wanted to refute, but she opened her mouth, but she didn't know what to say. Her face was never hot, which made her very embarrassed.

"You, you, you bastard!" Shangguan Shuyao said for a long time, and finally just spit out these words with a fierce expression, but what they said was not lethal. On the contrary, they appeared very guilty and panicked.

Lin Ziming also regretted it. Well, why did he puncture this layer of film? Isn't it just embarrassing?

He coughed twice and didn't know what to say for a while, and then said: "It's getting late, you can find a place to live."

Lin Ziming flees and leaves Shangguan Shuyao was behind and wanted to catch up, but her feet were rooted, and she couldn't move her footsteps at all. Originally, her psychological quality was very good, and it could even be said that she had a thick-skinned face, but what Lin Ziming said just now really hit her dead spot, causing her shame to burst out at this moment.

Yes, what right does she have to say that Lin Ziming is a scumbag?

She knew that Lin Ziming was married, and she entangled Lin Ziming again and again, and even took the initiative to kiss Lin Ziming, speaking of which, she was nothing more than half a catty. To put it bluntly, she is a vixen, a shameless vixen.

Knowing this, she felt really uncomfortable in her heart.

She wanted to shout out generously, Lin Ziming, you are passionate, when did grandma aunt like you, grandma aunt doesn't like you at all, okay!

However, she didn't have the face and the courage to say this, because she couldn't lie to herself.

Lin Ziming walked for a while and found that Shangguan Shuyao didn't follow him. He felt a little strange, so he stopped and looked back. Sure enough, he found that Shangguan Shuyao was still standing there, and looked stupid. same.

Seeing this scene, Lin Ziming felt a little uncomfortable.

He sighed and felt more and more that he must have owed Shangguan Shuyao in his previous life. Only in this life will he meet Shangguan Shuyao, and he will continue to collect debts.

He also wanted to leave, no matter if Shangguan Shuyao got it, Shangguan Shuyao was an adult anyway, and even a single person could take care of himself.

Besides, he didn't make a mistake just now. Shangguan Shuyao is indeed not qualified to say that he...

But, don't know why, when he saw Shangguan Shuyao standing there in a daze, desperate, he couldn't help it.

What a hell!

Lin Ziming cursed secretly in his heart, ready to go back, first comfort Shangguan Shuyao twice, otherwise this crazy girl might really cause something!

The Kung Fu Cup is now in full swing, and he will play tomorrow. If something happens at this time, he will not be able to bear this responsibility. So he finally sighed and decided to go back.
