

Chapter: 1686

But at this moment, from the left, there was a car driving at a very fast speed, and Shangguan Shuyao happened to be standing on the side of the road, and there was no way to see this car.

Seeing that he was about to hit him, Lin Ziming didn't dare to hesitate at all. He rushed over immediately, grabbed the waist of Shangguan Shuyao's small man just one second before the car was about to hit, and rotated 180 degrees. Save Shangguan Shuyao.

The car braked in the front, the window was rolled down, and a man stretched out and shouted: "Damn, you don't look at the road when you walk, and you stand on the side of the road. This is looking for death!"

The other party yelled at him, but Shangguan Shuyao was pale and frightened. Lin Ziming was in a bad mood. He immediately stared at him with a fierce look, and said coldly, "You try again. Try it!"

Just kidding, how terrifying Lin Ziming's angry eyes are, even a master of the fourth stage of the Innate Realm would feel scared, let alone an ordinary person.

At that moment, that person's brain exploded. At that moment, he seemed to have encountered death, his brain wouldn't work anymore, the blood on his face disappeared instantly, big drops of cold sweat came out, and he was completely stunned. It took half a minute to slowly recover.

His heartbeat was reaching its extreme, he had never had the fear before, and he kept saying, "Reaper, Reaper, Reaper..."

Then he made sure that Lin Ziming continued to look at him, so he slowly calmed down and hurriedly stepped on the accelerator to leave, but because he was too anxious and too nervous, he didn't even see a car standing in front of him and slammed it. Hit it.

Lin Ziming didn't care about this swearing driver. He looked at Shangguan Shuyao and said with a headache: "I said, Miss, can you save some snacks? I will participate in the race tomorrow. You will save me some snacks. Ok?" Now Lin Ziming found that he was really helpless against Shangguan Shuyao, he couldn't scold him, and he couldn't beat him. The key point was that Shangguan Shuyao was still thick-skinned, and there was really no way at all.

Finally, Shangguan Shuyao slowly recovered. She raised her head, looked at Lin Ziming, and whispered softly, "Do you really hate me?"

Lin Ziming was taken aback. This reaction of Shangguan Shuyao made him a little bit unexpected. He subconsciously doubted whether this was something Shangguan Shuyao made, so he said vigilantly: "What tricks do you want to use??"

Shangguan Shuyao bit her lip and said, "You are right. I am indeed not qualified to say that you are a scumbag. After all, I am also a shameless

vixen.”

Uh.....

This reaction of Shangguan Shuyao really caused Lin Ziming to be surprised and a little uneasy. Shangguan Shuyao, is this what he said was injured?

“You...nothing, right?” Lin Ziming said cautiously.

Shangguan Shuyao lowered her head and did not answer him.

The more you look like this, the more panic Lin Ziming becomes. Isn't he really injured? This is a bit difficult.

“Hey, I was just joking, don't take it to heart.” Lin Ziming said.

But Shangguan Shuyao still didn't respond to him, and then lowered her head, looking like she was hurt.

Lin Ziming had a headache even more. He knew this earlier. He didn't talk about Shangguan Shuyao just now. It's fine now, something has happened. If Shangguan Shuyao is really injured, then he really doesn't know what to do.

“I'm sorry.” Lin Ziming said again.

Shangguan Shuyao said at this time, “You don't need to be like this, you are making a mistake, I am really shameless, woo...”

As she said, she actually cried out, so Lin Ziming became even more confused, he was not afraid of anything, the most afraid of it was a woman crying.
