

Chapter: 1700

“Want to run? There are no doors.” Lin Ziming’s voice sounded faintly, and it came from Solomon’s ear. To Solomon, it was like a reminder of death, making his heart tighten!

You know, he is a beautiful country, consumes the nation’s science and technology, and builds a war machine. His will is stronger than iron. Even in the face of extreme danger, he has never been so afraid.

But now facing Lin Ziming, Lin Ziming didn’t even hit him, he was already trembling with fear, and he would never believe that such a thing would happen if he changed his usual routine.

Now he had a thought in his mind. This Chinese man is really terrifying. It can no longer be measured by the Great Perfection of the Innate Realm. It is already half a step into the God Realm, and one step short of it is the real God Realm Realm. !

And such a super power is not something he can contend with, so he has only one idea right now, that is, to do everything possible to escape, how far and how far, otherwise he will really be killed by Lin Ziming. .

But his thoughts are good, but can Lin Ziming really let him escape?

The answer is obviously no.

Speaking a lot, but in fact, it was just a blink of an eye. Lin Ziming had already reached his back, patted him with a palm, and there was no sound of Solomon being photographed in his palm, which brought out a monstrous momentum, booming It sounded, it seemed that the air couldn’t bear the power of Lin Ziming’s palm, and it was about to be compressed.

At this moment, Solomon’s goose bumps all over his body stood up. He felt the power of Lin Ziming’s palm. At the same time, he understood that he was not as fast as Lin Ziming, and he couldn’t avoid it. The way, that is hard resistance.

So at the very moment, he made the most correct decision, which is to look back quickly, scream, and then put his hands up and block in front of him, and use his full strength to block Lin Ziming’s palm.

Lin Ziming saw his decision, and the corners of his mouth rose slightly, revealing a disdainful smile.

“Want to resist? Your strength is still too weak.”

The words still didn’t fall, Lin Ziming’s palm had already been shot on Solomon’s arms, and only a loud bang was heard. That kind of sound was like a slap on the drum. There was a huge movement!

Accompanied by the sound of a fracture, Solomon weighed more than two hundred jins, and he was shot flying by Lin Ziming with the palm of his hand. He fell onto the ring and smashed several foreign warriors.

The audience suddenly became silent.

Everyone was dumbfounded, and had no idea that this would happen.

Especially Johnson and others, everyone who knew Solomon was completely stunned at this moment!

Solomon, that is the strongest person in the beautiful state of the world, even on the international master list, he is also a top master, and now he can't even catch Lin Ziming's move?

The most important thing is that Solomon even attacked Lin Ziming first.

Even if they knew that Lin Ziming was very strong, he was the strongest among them all, but they had never thought that Lin Ziming was already so strong!

This shows that Lin Ziming and them are no longer in the ranks at all.

Now that they saw Lin Ziming's plain and calm expression, they felt a tingling scalp.

Such Lin Ziming, even in the quarterfinals, together, can they really be Lin Ziming's opponent?
