

## Chapter: 1746

He and Huangpudao, the military god, are powerful men of the same era, and they have been in their sixties this year. It is only because his vitality is too strong that he looks so young, just like a young man in his early twenties.

Adam said again: "Chinese, do you know that Johnson is my disciple?"

Adam said this in a very plain and natural tone, but what he said was not plain at all. On the contrary, it was full of threats and murderous intent.

Immediately, Lin Ziming's brows couldn't help beating twice, and for Shangguan Wei'an, Peng Zhuo and others, it became even more nervous.

Johnson was a disciple of Adam, and just now, Johnson died at the hands of Lin Ziming. Now that Adam said this, it was obvious that he was looking for trouble with Lin Ziming!

It's too scary to make things difficult for a master at the realm of gods.

After he finished speaking, he took a step forward. His original temperament was very soft, but now his temperament slowly changed, and gradually became fierce, full of coercion and murder, like a huge sword, withstands the forest. Ming's forehead is the same!

As far as Lin Ziming's mental level is concerned, it has already caused damage. In Lin Ziming's mind, he felt that he was facing the gradual penetration of a sharp sword!

If he hadn't swallowed the general situation, and now his mental power had stabilized in the half-step psychic state, then now facing Adam's coercion, he would have already lost his stance!

This Adam is really maverick, he doesn't care about the rules!

However, everything has two sides. For Lin Ziming, it is not a kind of training. After his general momentum has condensed, there is a master of the gods to give him training!

So he also stepped forward, with a bright smile on his face, and said, "Really? Then I really don't know."

When everyone saw Lin Ziming's slightly provocative action, they couldn't help but beat their brows fiercely. Everyone, including high-level officials in other countries, didn't have the courage to think that Lin Ziming was so bold!

You know, Adam is a powerhouse in the realm of God.

And over the years, how famous it is in the world.

In today's world, there are few super powers standing on the pinnacle of mankind, human beings truly standing on the pyramid.

No, even in a sense, Adam is no longer a human being, but a superman who transcends humanity!

Even the high level of their countries, when facing Adam, they must be honest and dare not to offend, let alone provoke back like Lin Ziming.

So in their eyes, Lin Ziming's behavior is what is different from looking for

death!

Shangguan Weian and the others also sweated for Lin Ziming, and subconsciously reminded Lin Ziming, don't be so arrogant, Adam is no better than other innate realm masters, Adam is a master of the gods, with Lin Ziming's current strength, It's still not enough to wrestle with Adam!

But in this case, under this kind of hardship, it was still inappropriate for them to say it, so when they came to their lips, they had to bear it back.

Adam was also taken aback, apparently he hadn't thought that Lin Ziming was so courageous, facing his coercion, not only to promise, but to provoke him.
